39		17/00304/FUL	An additional condition is recommended requiring submission and agreement of detailed design for the widened access road including additional pedestrian and cyclist provision and that it be implemented as approved (TP6, 7 and 17). Amendments have been requested by the Council's Open Spaces Officer with respect to proposed landscaping. Rather than the recommended condition be that landscaping be carried out as approved (per recommended condition no. 3) it is recommended that a condition be attached requiring submission and agreement of landscaping details (Policy BE1).
