<b><u>Directorate:</u></b>	ADULT & COMMUNITY
<b><u>Department:</u></b>	COMMUNITY SERVICES
<b><u>Period:</u></b>	1 <sup>st</sup> April to 30 <sup>th</sup> June 2010

### 1.0 Introduction

This monitoring report covers the Community Services first quarter period up to period end 30<sup>th</sup> June 2010. It describes key developments and progress against all objectives and performance indicators for the service.

The way in which traffic light symbols have been used to reflect progress is explained within Appendix 8

### 2.0 Key Developments

The HDL at Ditton has been successfully re-located into the library. Business has increased since the move.

A series of 'Respect' weeks are being held to highlight issues around community safety and anti-social behaviour.

Sport England's Active People Survey showed that Adult Participation in (Sport 3 x 30 minutes) is the second highest in the country.

There has been a recent inspection by the General Register Officer of the Registration Service in Halton. The report, which will go to the Safer Halton PPB shows the service to be very good.

### 3.0 Emerging Issues

Early talks have been held with the Police to consider a joint approach to some services via HDL. A report will be going to senior management team detailing options to be considered.

Negotiations are advanced to replace the library management/circulation system. An innovative approach is being taken that should improve service and increase efficiencies.

The micro-brewery and the hair dresses shop, as part of Adult Day – care development should be operative by the autumn.

#### 4.0 Service Objectives / milestones

##### 4.1 Progress against objectives / milestones

<b>Total</b>	<b>0</b>		<b>0</b>		<b>0</b>		<b>0</b>
--------------	----------	---	----------	---	----------	---	----------

There are no objectives / milestones to be reported for the service.

#### 5.0 Performance indicators

##### 5.1 Progress Against 'key' performance indicators

<b>Total</b>	<b>1</b>		<b>-</b>		<b>-</b>		<b>-</b>
--------------	----------	---	----------	---	----------	---	----------

There is presently no information available concerning the perceptions of anti social behaviour as this information has previously been derived from the national places survey derived from an annual survey, which as of this year this survey is no longer required. Consideration is being given to conducting it on a local basis and an update will be given later in the year.

##### 5.2 Progress Against 'other' performance indicators

<b>Total</b>	<b>7</b>		<b>6</b>		<b>1</b>		<b>0</b>
--------------	----------	---	----------	---	----------	---	----------

A number of 'other' indicators for the service have also previously been derived

from the national place survey as described above.

Of those measures that can be reported this quarter there is some concern regarding adult Re-offending rates for those under probation supervision and additional details are provided within Appendix 1.

## **6.0 Risk Control Measures**

During the development of the 2010 -11 service activity, the service was required to undertake a risk assessment of all Key Service Objectives.

No 'high' risk, treatment measures were identified.

## **7.0 Progress against high priority equality actions**

As a result of undertaking a departmental Equality Impact Assessment no high priority actions were identified for the service for the period 2010 – 2011

## **8.0 Data quality statement**

The author provides assurance that the information contained within this report is accurate and valid and that every effort has been made to avoid the omission of data. Where data has been estimated, sourced externally, or where there are any concerns regarding the limitations of its use this has been clearly annotated.

#### Comments on the above figures:

Gross expenditure is £20,000 below budget profile for the first quarter of the financial year. This is primarily a result of spend to date on utility costs being below profile. Whilst budgets are profiled to take account of seasonal factors, the total budget for this area is £476,000, and some variations are inevitable. It is not assumed at this stage in the financial year that this underspend will remain at the year-end.

## Appendix 2 Financial Statement

Income is showing an over-achievement against budget profile to date of £15,000. Sales and Fees and Charges income are currently overachieved by £65,000, this relates principally to The Brindley Arts Centre. However, this additional income is partially offset by increased expenditure, particularly in the Employees, Hired and Contracted and Promotions budget headings. The income below target for Grants and Reimbursements is not expected to be under-achieved at the year-end.

At this stage, net Divisional expenditure is anticipated to be to budget at the year-end.

#### Comments on the above figures:

Regular monitoring reports are sent to the Local Strategic Partnership (LSP) in respect of all LSP projects and any areas of concern are dealt with throughout the year by the LSP support team and individual project managers. Some variances against the budget to date are expected, as the LSP have deliberately over-programmed in order to ensure that the full allocation of Working Neighbourhood Fund grant is spent during the year.
