Five Year Forward View/Sustainability and Transformation Plan

Better Care

HWB Priorities

- Continue to improve levels of early child development
- Keeping people well, focussing on physical activity and healthy eating
- Long term conditions, focussing on cardiovascular disease
- Prevention and early detection of mental health problems and improved access to treatment
- Ageing Well
- Prevention and early detection of cancers

Wider Determinants of Health(not covered elsewhere include):-

- Living and Working Conditions (skills and employment, housing, public transport, welfare services, access to goods and facilities)
- General Social-Economic and Environmental Conditions (social, economic and environmental issues, wages, disposable income, availability of work, taxation, cost of food and services – fuel, transport, food, clothing)
- Community Cohesion/Safety and Cultural issues (community and social networks, friends and wider social circles, safe and welcoming communities to live and work in are a protective factor in terms of health)

Will Receive Quarterly Written Updates from the other 3 Boards – for information
