(2) Subject to such regulations as the Secretary of State may make pursuant to section 172(1) of the 2000 Act, the Council may waive charges (or any part of such charges) and may suspend the charging of charges in whole or in part.

(3) The Council or its agent may enter into an agreement (“composition agreement”) under which persons compound, on such terms as may be provided by the agreement, for the payment of charges in respect of the use of the scheme roads by them, by other persons or by any vehicles.

(4) A composition agreement may relate to use on such number of occasions or during such period as may be provided by the agreement.

(5) Any composition agreement entered into prior to the appointed day shall have effect for the purposes of bringing charges into effect from that day and nothing in this scheme shall render a composition agreement entered into other than during the currency of this scheme invalid.

(6) Without prejudice to the generality of paragraph (1) above, save where the Council elects in accordance with paragraph (7) below charges may be payable:

- (a) when demanded by a person authorised by the Council or its agent at a place designated by the Council for the collection of charges; or
- (b) by inserting the appropriate payment for a charge at an appropriate collection point.

(7) Where the condition applies the Council may elect that instead of any other means or method of payment charges shall be payable by means of entering into a composition agreement in which case the Council may require that method to apply exclusively.

(12) The Council may require a vehicle that is subject to a composition agreement to display a document in that vehicle or to carry in or fix equipment to that vehicle.

(13) Where a composition agreement provides for a discount or waiver of any charge or part of any charge and is calculated solely by reference to the use of the scheme roads—

- (a) for a number of journeys; or
- (b) for any period

a user or prospective user of the scheme roads shall not be prevented from entering into such a composition agreement by reason of their place of residence or business.

(14) Where any scheme of discount or waiver is proposed in respect of charges payable or prospectively payable under this scheme the Council shall have regard to the most appropriate means of providing the benefit of such a scheme to those socio-economic groups within the Borough of Halton least able to afford the full price of charges in deciding to apply any such scheme.

(15) The Council may impose such reasonable conditions upon the making of a composition agreement as it considers appropriate including in relation to the transfer of the benefit of composition agreements or the refund of payments.

Halton Borough Council’s Detailed Programme for Applying the Net Proceeds of this Scheme

13. Road user charging on the Mersey Gateway Bridge began in 2017 to coincide with the opening of the Mersey Gateway Bridge for use by the public. The existing third Local Transport Plan (LTP3) runs from 2011/12 to 2025/26. Therefore, paragraph 10(1)(b) of Schedule 12 to the Transport Act 2000 relates to the second LTP3. The Mersey Gateway Bridge is a key element of the LTP3 as it addresses—

- (a) the worst congestion in Halton - on the approaches to the Silver Jubilee Bridge and on the Weston Point Expressway approach to M56 Junction 12;
- (b) demand management to establish and maintain free flow traffic conditions on the Mersey Gateway Bridge and the Silver Jubilee Bridge; and

- (c) securing safer roads; and
- (d) achieving better air quality.

15. Priorities for the scheme revenue expenditure are—

EXPLANATORY NOTE

(This note is not part of the Order)

Sections 163(3)(a) and 164 of the Transport Act 2000 authorise the Council of the Borough of Halton to make a charging scheme in respect of roads for which it is the traffic authority. The scheme roads described in paragraph (1) of Schedule 1 comprises the Mersey Gateway Bridge and the Silver Jubilee Bridge. Charges are currently levied in respect of the latter under the Mersey Gateway Bridge and the A533 (Silver Jubilee Bridge) Road User Charging Scheme Order 2017.

This Order revokes the 2017 Order. It imposes charges for use of either the Mersey Gateway Bridge or the Silver Jubilee Bridge, and contains enforcement provisions.

Article 1 (citation and commencement) deals with preliminary matters.

Article 2 (interpretation) contains interpretation provisions including definitions of the “scheme roads”. It also refers to the Road User Charging Schemes (Penalty Charges, Adjudication and Enforcement) (England) Regulations 2013 (SI 2013/1783) (the “Enforcement Regulations”) which make provision for or in connection with the imposition and payment of charging scheme penalty charges.

Article 3 (revocation) revokes the 2017 Order.

Article 4 (duration of the Order) provides that the Order remains in force indefinitely.

Article 5 (the scheme roads) contains that the scheme roads are the roads to which charges, penalty charges and enforcement provisions apply.

Article 6 (imposition of charges) describes the event by reference to the happening of which a charge is imposed, namely, a vehicle being used or kept on the scheme roads. It also contains the charges imposed upon using or keeping a vehicle on the scheme roads.

Article 7 (payment of charges) provides that the Council may specify how a charge should be paid. It also provides that payments may be under an agreement relating to a number of journeys or a number of days. It also provides that payment under such an agreement may be mandatory if “open road” tolling is used and that displaying a permit may be required. Paragraph (14) of article 7 continues the existing arrangement relating to scheme discounts.

Article 8 (classification of vehicles) specifies classes of vehicles to which the scheme applies, set out in Schedule 1 of this Order.

Article 9 (vehicles exempt from charges) provides for the exemption of certain vehicles from paying the charge provided conditions are met, set out in Schedule 2.

Articles 10 and 11 explain to what purposes the charges recovered may be applied.

Article 12 deals with the civil enforcement of unpaid charges through the imposition of penalty charges. Paragraph 12(1) imposes a penalty charge where the charge for using the crossing is not paid in full by midnight on the day after it is imposed. The penalty charge rates are displayed on the project website. Paragraph 12(3)(a) explains that the penalty charge is payable in addition to the charge imposed. Paragraphs 12(3)(b) to (d) explain that the penalty charge is payable within 28 days of the penalty charge notice relating to it being served, that the amount of the charge is reduced by half if paid within 14 days or is increased by half if not paid before a charge certificate is served in accordance with regulation 17 of the Enforcement Regulations.

Article 13 imposes additional penalty charges of the amounts set out on the project website where the powers in respect of vehicles described in paragraphs 18 and 19 are exercised.

Articles 14 to 19 contain powers that can be exercised in respect of motor vehicles. These powers are to examine vehicles (article 15), enter vehicles (article 16), seize items (article 17), immobilise vehicles (article 18) and remove, store and dispose of vehicles (article 19). The exercise of those powers must be in accordance with the Enforcement Regulations. In particular the power to immobilise a vehicle or remove a vehicle that has not been immobilised can only be exercised where none of the circumstances in regulation 25(2) of the Enforcement Regulations apply and the conditions in paragraph 25(3) of those regulations do apply.
