### 3. BACKGROUND

- 3.1 A consultation exercise on proposals to introduce a new Dog Control Public Spaces Protection Order (PSPO) was completed in the autumn of 2018. The consultation ran for a 12 week period, during which time individuals or organisations who wished to share their views on the Council's proposals were able to do so by completing an on-line survey or via paper copies of a consultation questionnaire that was available at the Council's Halton Direct Link shops and Libraries.
- 3.2 A report was presented to the Safer Policy & Performance Board detailing the proposed dog control measures to be included in the PSPO, the sanctions for non-compliance and the results and analysis of the consultation responses received.
- 3.3 There were 922 responses to the consultation; which is considered very high. Overall, the results show support for each of the Council's proposals as can be seen from the information set out in Table 1 below.

Table 1 – Summary of Consultation Results

<b>Proposal</b>	<b>% of respondents who Agreed</b>
To exclude dogs from the locations specified by the Council	52%
To exclude dogs from the playing areas of marked and maintained sports pitches	56%
Dogs must be placed on a lead if requested to do so by an authorised officer	84%
Dogs should always be on a lead in the locations specified by the Council	61%
When there is a requirement for a dog to be on a lead, the lead shall be of fixed length and of not more than 2m	52%
Continuation of the existing power which makes it an offence if a person in charge of a dog fails to clean up its faeces	96%
Dog walkers be required to carry with them bags as an appropriate means to collect dog foul and be required to provide evidence of this if asked to do so by an authorised officer	88%
A restriction on the number of dogs that can be walked by one person at any one time*	61%
The level of fine for committing an offence under a Public Space Protection Order be set at £100	68%

*\*Note – Following the comments received via the consultation, the maximum number of dogs to be walked by one person at any one time is proposed to be a maximum of 4*

- 3.4 After consideration of the consultation results and comments made by respondents, Members of the Board endorsed that a report be presented to the Executive Board recommending that a new Dog Control PSPO be made containing the provisions set out within the report presented to them. Members also endorsed the proposed Fixed Penalty Notice amount for breaching a Dog Control PSPO and the discount for early payment.
- 3.5 This report provides Members with details of the Provisions to be contained within the proposed new PSPO and a summary of the consultation responses. Members are asked to consider the details of the report and approve that a new Dog Control PSPO be made that shall come into force with effect from 1<sup>st</sup> November 2019.

#### **4. SUPPORTING INFORMATION**

4.1 The Anti-social Behaviour, Crime and Policing Act 2014 provides local authorities with powers to tackle a range of anti-social behaviour through the creation of Public Spaces Protection Orders (PSPOs) where they are satisfied that activities are taking place that;

- are having, or are likely to have, a detrimental effect on the quality of life of those in the locality;
- Is, or is likely to be, persistent or continuing in nature;
- Is, or is likely to be, unreasonable; and,
- Justifies the restrictions imposed

4.2 Dog fouling and other forms of anti-social behaviour associated with irresponsible dog ownership have a detrimental effect on local people. The Council recognises that the vast majority of dog owners and walkers are responsible, pick up after their dogs and keep them under proper control, however, there is a minority who do not. In order to reduce the risk of nuisance or harm to the public, and to ensure that members of the local community can enjoy a clean and safe environment, The Council introduced four Dog Control Orders in October 2010. These Orders are;

- The Fouling of Land by Dogs (The Borough of Halton) Order 2010
- The Dogs on Leads (The Borough of Halton) Order 2010
- The Dogs On Leads By Direction (The Borough of Halton) Order 2010
- The Dogs Exclusion (The Borough of Halton) Order 2010

4.3 The existing Orders make it an offence to;

- Fail to pick up after your dog had fouled
- Fail to keep your dog on a lead on specified land
- Fail to put a dog on a lead when directed to do so by an Officer
- Allow your dog into specified locations; such as a designated children's play area

- 4.4 Officers have reviewed existing Orders and propose to replace these with a new PSPO that would be in the form of a single Order that would include the control measures contained within the existing Orders, as well as two new requirements that those in control of dogs must comply with; these being;
- A restriction on the number of Dogs that an individual can walk at any one time, and;
  - A requirement to provide evidence of carrying bags as an appropriate means to pick up dog fouling.
- 4.5 The proposed new Order is attached as Appendix 1. Members will note that the land to which each of the individual Provisions of the new Order shall apply is set out in four Schedules;
- Schedule 1 imposes four requirements on dog owners which apply borough-wide and cover any public spaces to which the public has access.
  - Schedule 2 sets out the Dogs on Leads Areas. These are locations where it is believed that there are specific issues in allowing dogs to run free at any time, and in particular, a concern that if dogs were allowed off a lead in the identified areas it may cause nuisance or even injury to members of the public or other animals.
  - Schedule 3 lists the Dog Exclusion Areas. These are locations where, in the interests of members of the local community, and in particular children, the Council considers that dogs should not be allowed to enter; such as play areas. The Council has always considered it inappropriate for dogs to be taken into cemeteries and these too are covered by this Provision and Schedule.
  - Schedule 4 contains plans of five locations listed in Schedules 2 or 3. The five Plans have been produced for areas where the Provisions of Schedule 2 or Schedule 3 both apply, or where either applies to only part of an area, and they have been produced to remove any ambiguity that may arise as a result.
- 4.6 On producing the proposed Order, officers have had regard to the “Public Space Protection Orders Guidance for Councils” issued by the Local Government Association.

## Non-Compliance with the Requirements of the Proposed PSPO

- 4.7 Those who breach PSPOs face being issued with a warning, a Fixed Penalty Notice (FPN) of up to £100 or prosecution and a fine of up to £1,000.
- 4.8 Whilst the introduction of the new PSPO would provide the Council with increased powers to control the behaviour of those in control of dogs, and enable authorised officers to take enforcement action in cases of non-compliance, it should not be seen as the Council adopting a heavy-handed approach to dealing with dog related anti-social behaviour.
- 4.9 The Council's approach is always that prevention is better than cure and, whilst the new PSPO would provide the Council with enhanced powers, the primary aim is to provide a more proactive and effective approach to promoting responsible dog ownership throughout the borough and to deter irresponsible behaviour by those in control of dogs; thereby reducing the need for enforcement action.
- 4.10 In accordance with its Enforcement Policy, the Council will ensure that its approach to dealing with any breach of the provisions of the new PSPO is proportionate to the risk to public health, safety and the environment, as well as an individual's previous record of compliance. With this in mind, the circumstances where FPNs would be issued are as follows;
- Where an individual is caught failing to clear up after their dog has fouled;
  - Where an individual has been issued with, and has ignored, previous advice, guidance or warnings and continues to fail to comply with any of the provisions of the PSPO, and;
  - Where an individual blatantly ignores the reasonable requests of an authorised officer to comply with the requirements of the PSPO. For example, failing to put a dog on a lead where the officer has genuine concerns for the safety of others due to the behaviour of the dog, or, where an individual refuses to remove a dog from a 'dog exclusion zone' where the officer feels that the presence of the dog gives rise to genuine concerns for the safety of others.

In all other circumstances, such as failing to provide evidence of carrying bags as an appropriate means to pick up foul or walking more than the permitted number of dogs at any one time, officers will use their discretion and adopt an informal/educational approach; providing advice and guidance as to the requirements of the PSPO.

- 4.11 The control measures would not apply to assistance dogs used by the blind or by persons who lack the physical ability to comply with the requirements of the PSPO.

### Communications and Signage

- 4.12 Where a local authority has made a PSPO, legislation requires that details of it must be published on its website and notices should be erected to advise members of the public that the PSPO has been made and the effect of such an Order. Prominent signage will also be erected across the borough explaining the exact requirements expected of dog walkers in any area. Where restrictions apply to specified locations, signs would be erected at the boundary points of such areas to advise members of the public that an Order was in force and making it clear what restrictions were in place.
- 4.13 Notwithstanding the Council's legal obligations, Officers consider it essential that an effective communication campaign is launched to coincide with the introduction of any new PSPO to ensure that local people, and those visiting the borough are fully informed of the control measures that it introduces.
- 4.14 It is being proposed that the new PSPO will come into effect from 1<sup>st</sup> November 2019. This would ensure that there is sufficient time for new signage to be acquired and erected and for a comprehensive communications and awareness raising campaign to be delivered in advance of the Order coming into force.

### Recommendations

- 4.15 The consultation process revealed support for both retaining the Council's current dog control powers and the introduction of the new proposed ones. In view of this, Members are asked to consider and support the making of a new PSPO containing the provisions as set out within this report. Overall, it is felt that the new PSPO will enable the Council to meet public demands by dealing more effectively with dog fouling and other forms of dog related anti-social behaviour and, in turn, have a positive impact on the safety and quality of the local environment.
- 4.16 Members are asked to approve the following proposals;
- 4.16.1 The making of the new PSPO which is attached as Appendix 1;
- 4.16.2 That the new PSPO will come into effect on 1<sup>st</sup> November 2019;
- 4.16.3 That the current Dog Control Orders be revoked as of midnight 31<sup>st</sup> October 2019 to coincide with the commencement of the new PSPO;
- 4.16.4 That the Fixed Penalty Notice amount for breaching a Dog Control Public Spaces Protection Order be set at £100; and,

4.16.5 That the Fixed Penalty Notice amount for breaching a Dog Control Public Spaces Protection Order be reduced to £75 if paid within 10 days.

4.17 Members should note that, once made, a PSPO will last for up to three years before requiring a review, however, there is no limit on the number of times an Order can be reviewed and renewed. Therefore, the Council will have the ability to review and amend any element of the new PSPO at any time.

4.18 In so far as it specifically relates to the Dogs on Leads or Dog Exclusion Provisions, it is being recommended that delegated authority be granted to the Strategic Director – Enterprise, Community and Resources, to make arrangements for new sites to be added to Schedule 2 and Schedule 3 of the attached Order, or for the designation of any sites currently listed in Schedule 2 and Schedule 3 to be varied.

4.19 The purpose of the delegation recommended in paragraph 4.18 is to allow any newly developed sites, or any change in circumstance of existing sites, to be accounted for. Prior to any variation, local consultation would be undertaken with the ward Councillors for the area and local stakeholders and those who may be affected by any proposal.

## **5.0 FINANCIAL AND RESOURCE IMPLICATIONS**

5.1 There will be financial implications as a result of the need to erect new or amended signage following the introduction of a PSPO but the level of expenditure needed is not known at this stage.

## **6.0 POLICY IMPLICATIONS**

6.1 Introducing the proposed new PSPO would represent changes to the Council's existing Policy on dog control.

## **7.0 IMPLICATIONS FOR THE COUNCIL'S PRIORITIES**

### **7.1 Children and Young People in Halton**

None identified.

### **7.2 Employment, Learning and Skills in Halton**

None identified

### **7.3 A Healthy Halton**

By enhancing its ability to deter irresponsible behaviour by some dog owners, the Council will be making a positive contribution towards improving the safety and the appearance of the local environment, which shall in turn have an overall beneficial effect on health and wellbeing.

#### **7.4 A Safer Halton**

Effective use of its regulatory powers will demonstrate that the Council is committed to dealing with anti-social behaviour caused by irresponsible dog owners. This will have a positive impact upon the Safer Halton Priority.

#### **7.5 Halton's Urban Renewal**

No direct impact, but improving the safety and attractiveness of local neighbourhoods should make the borough a more attractive location for investment.

#### **8.0 RISK ANALYSIS**

If the Council fails to put in place control measures to effectively tackle anti-social behaviour caused by irresponsible dog owners, the risks of nuisance or harm to the public would be significantly increased.

Furthermore, failure to make best use of legislative powers available to deal with such anti-social behaviour may lead to criticism of the Council; thereby damaging its reputation.

#### **9.0 EQUALITY AND DIVERSITY ISSUES**

The Council aims to be consistent and evenhanded in all regards. Taking enforcement action to help control anti-social behaviour caused by irresponsible dog owners is not intended to have either a positive or negative impact upon equality and diversity or apply differently to any particular group.

The PSPO will not apply to the owners of assistance dogs used by the blind or by those who are unable as a result of a disability to comply with the legislation.

This Order comes into force on 1 November 2019 and will remain in force for a period of 3 years until 31 October 2022, unless extended by further Orders under the Council’s statutory powers or unless revoked, in whole or in part, and superseded by further Order.

**2. PENALTIES AND DEFINITIONS**

- A person who fails to comply with any obligation imposed by this Order is guilty of a criminal offence by virtue of section 67(1) of the Anti-social Behaviour Crime and Policing Act 2014 and liable on summary conviction to a fine not exceeding level 3 on the standard scale or a Fixed Penalty Notice of a maximum £100.

- “The Restricted Area” is the land identified in Schedule 1 of this Order.

### **3. OBLIGATIONS ON PERSONS IN CHARGE OF DOGS IN THE RESTRICTED AREA**

The following Provisions apply to all persons in charge of dogs in the Restricted Area except those specifically exempted by paragraph 6 of this Order.

#### **i. Fouling of Land**

If a dog defecates at any time on any land to which this Provision of the Order applies a person who is in charge of the dog must remove the faeces from the land forthwith unless:

- (a) he/she has reasonable excuse for failing to do so; or
- (b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to his/her failing to do so.

For the purposes of this Provision of the Order:

- Placing the faeces in a receptacle on the land which is provided for the purpose, or for the disposal of waste, shall be sufficient removal from the land;
- Being unaware of the defecation (whether by reason of not being in the vicinity or otherwise), or not having a device for or other suitable means of removing the faeces shall not be a reasonable excuse for failing to remove the faeces.

#### **ii. Dogs on Leads by Direction**

A person in charge of a dog on any land to which this Provision of the Order applies must comply with a direction given to him/her by an Authorised Person of the Council to put and keep the dog on a lead that shall be of fixed length and of not more than 2 metres unless:

- (a) he/she has reasonable excuse for failing to do so; or
- (b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to his/her failing to do so.

An Authorised Person may only give a direction under this Provision if such restraint is reasonably necessary to prevent a nuisance or behaviour by the dog that is likely to cause annoyance, disturbance or harm to any other person, or to a bird or another animal.

#### **iii. Maximum Number of Dogs**

A person in charge of more than one dog must not, at any time, and at the

same time, take more than 4 dogs, or permit more than 4 dogs to enter or to remain on, any land to which this Provision of the Order applies unless:

- (a) he/she has reasonable excuse for failing to do so; or
- (b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to his/her failing to do so.

#### **iv. Means to Pick up Dog Faeces**

A person in charge of a dog on land to which this Provision of the Order applies must have with them appropriate means to pick up dog faeces deposited by that dog and must provide evidence of this if asked to do so by an Authorised Person unless

- (a) he/she has reasonable excuse for failing to do so; or
- (b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to his/her failing to do so.

This obligation is complied with if, after a request from an Authorised Person, the person in charge of the dog produces an appropriate means to pick up dog faeces forthwith.

For the purposes of this Provision, "appropriate means" shall be defined as being a receptacle, bag or sack which has been specifically made for the purposes of picking up and properly disposing of animal faeces, or is of such type or design so as to allow it to be used for such purposes.

#### **4. DOGS ON LEADS**

A person in charge of a dog on any land to which this Provision of the Order applies must keep the dog on a lead that must be of fixed length and of not more than 2 metres unless:

- (a) he/she has reasonable excuse for failing to do so; or

This Provision of this Order shall apply only to the Dogs on Leads Areas specified in Schedule 2.

#### **5. DOG EXCLUSION**

A person in charge of a dog must not take it onto, or permit the dog to enter or to remain on, any land to which this Provision of this Order applies unless:

- (b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to his/her failing to do so.

This Provision of this Order shall apply only to the Dog Exclusion Areas specified in Schedule 3
