# ITEMS TO BE DEALT WITH IN THE PRESENCE OF THE PRESS AND PUBLIC

#### Part I

Item No.

Page No.

- 1. APOLOGIES FOR ABSENCE
- 2. SCHOOLS BLOCK TRANSFER TO HIGH NEEDS BLOCK 1 10 FOR 2022-23

In accordance with the Health and Safety at Work Act the Council is required to notify those attending meetings of the fire evacuation procedures. A copy has previously been circulated to Members and instructions are located in all rooms within the Civic block.

REPORT TO:	Schools Forum
DATE:	3 <sup>rd</sup> November 2021
<b>REPORTING OFFICER:</b>	<b>Operational Director - Finance</b>
SUBJECT:	Schools Block transfer to High Needs Block for 2022-23

# WARDS: Borough wide

# 1.0 PURPOSE OF THE REPORT

To report to the Schools Forum the proposal to transfer Dedicated Schools Grant from the Schools Block to the High Needs Block for 2022-23.

# 2.0 **RECOMMENDATION:** That

- 2.1 The report is noted.
- 2.2 Schools Forum agree to the continuing use of the Exceptional Premises Factor in relation to Ormiston Bolingbroke Academy.
- 2.3 Schools Forum support the outcome of the consultation with schools with regards to the transfer of Schools Block grant to the High Needs Block for 2022-23.

# 3.0 SUPPORTING INFORMATION

3.1 Background

As reported at the October meeting, we are forecasting a cumulative DSG deficit of £2.1M at the end of March 2022. The key areas that are overspending are top-up funding and out of borough placements. It was decided to put forward a proposal to transfer 1% of the Schools Block of DSG to the High Needs Block for 2022-23. This would enable us to clear some of the deficit balance and fund three Invest to Save proposals.

3.2 Schools Block

The Schools Block for 2022-23 has a provisional increase of £2.7M compared to the allocation for 2021-22 to £101,792,648. No transfer of funds was requested for the 2020-21 and 2021-22 financial years, to allow the full settlement to be passed to mainstream primary and secondary schools and academies in Halton. A 1% transfer as proposed in the consultation would leave an estimated increase of £1.7M in the Schools Block for 2022-23.

3.3 Within the Schools Block consultation was reference to the need to submit a further disapplication request to continue the Exceptional Premises factor in relation to the Joint Use agreement between Ormiston Bolingbroke Academy and Brookvale Recreation Centre. The school has agreed to the disapplication request but unfortunately it

was omitted from the report to Schools Forum. We are required to seek approval from Schools Forum for this funding to be continued.

3.4 <u>High Needs Block</u>

The High Needs Block has a provisional increase of £1,317,870 to £19,646,658 after an estimated recoupment of £3,276,000. The forecast outturn for 2021-22 is £19,565,202. At the time of writing, the forecast outturn for the High Needs Block for 2022-23 is just over £19.5M but this is without any inflationary uplifts or increases in placements in resource bases, special schools and out of borough special schools.

- 3.5 The proposal to transfer 1% of the Schools Block equates to £1,017,926 based on the provisional settlement but this will change once the final settlement is announced in December. The provisional settlement allowed for the National Funding Formula cash values for 2022-23 to be used with the Minimum Funding Guarantee at the maximum of 2% and had a balance of £334k. Therefore, the proposal to transfer 1% to the High Needs Block would include this balance meaning the actual reduction to the NFF cash values would be less than 1%.
- 3.6 A consultation on the proposal to transfer 1% of DSG from the Schools Block to the High Needs Block was issued on 7<sup>th</sup> October 2021 with a closing date of 22<sup>nd</sup> October 2021. This is attached at Appendix A.
- 3.7 The consultation on the proposed transfer of DSG from the Schools Block to the High Needs Block received 14 responses from 64 schools. Of these six supported the proposal, seven were against the proposal and one gave only a narrative response. The full details of the responses are attached at Appendix B.
- 3.8 In order for the disapplication request to transfer 1% of Schools Block grant to the High Needs Block to be considered by the Department for Education, we are required to show support from schools via the consultation, Schools Forum and political approval at a local level. The consultation shows that by a majority of one, schools who responded were against the transfer.

# 4.0 FINANCIAL IMPLICATIONS

4.1 Without the transfer of grant we will be unable to proceed with the three Invest to Save proposals. If we are unable to reduce the number of learners being placed in out of borough provision then other High Needs Block funded budgets will have to be reduced.

# 5.0 IMPLICATIONS FOR THE COUNCIL'S PRIORITIES

# 5.1 Children & Young People in Halton

It is essential that schools and education support services receive sufficient funding to allow them to support all children and young people.

# 5.2 **Employment, Learning & Skills in Halton** None.

- 5.3 **A Healthy Halton** None.
- 5.4 **A Safer Halton** None.
- 5.5 Halton's Urban Renewal None.

# 6.0 RISK ANALYSIS

6.1 The High Needs Budget continues to be highly pressured due to the number of learners requiring support. The High Needs Review has been considering the changes needed in Halton to ensure that we can continue to appropriately support our children and young people with SEND while reducing costs.

Increased investment in schools through the National Funding Formula alongside

6.2 promoting and developing increased inclusion in our schools and settings should reduce the need for additional support or specialist placements.

EQUALITY AND DIVERSITY ISSUES

7.0 The Local Authority must discharge its statutory responsibilities in relation to all schools and settings.

## Appendix A

# <u>Consultation on the proposal to transfer DSG from the Schools Block to the High Needs Block</u> <u>2022-23</u>

#### **Background**

Until 2018-19 we were able to move DSG between the different funding blocks to meet the needs of each block. With the introduction of the new National Funding Formula from April 2018, new regulations came into force restricting the movement of funding from the Schools Block.

This created increased pressure on the High Needs Block so for 2018-19 we consulted and gained approval to transfer 0.5%, £421,594 from the Schools Block to the High Needs Block, plus £51,672 from the Central Schools Services Block. This was to support the increase in pupil numbers and costs of SEND support at all levels. Appendix A is the consultation document for this transfer which details the breakdown of the pupil numbers for each level of support and costs for 2017-18 to date (at the time of writing the consultation that year) and the previous three years from 2014-15 onwards.

For the following year, 2019-20, we consulted and gained approval for a transfer of 1%, £869,312. The consultation document for that year detailing the pupil numbers and costs of SEND support at all levels is included as Appendix B.

## Current Position

As you will be aware despite all our efforts we failed to achieve a balanced year-end position for 2020-21 and had a deficit DSG balance of £895,355. As we did not fully spend the de-delegated Schools Contingency budget during 2020-21, Schools Forum decided that the unspent balance should be carried forward into 2021-22 and added to the De-delegated Schools Contingency budget in that year. Therefore our deficit increased to £995,742.

The High Needs Block grant allocation for Halton has increased over the years as below:

Year	2018/19	2019/20	2020/21	2021/22	2022/23
After recoupment	£13,987,816	£13,811,856	£16,155,582	£18,328,788	£19,646,658*
*estimated figure for 2022-23 after recoupment as recoupment figure not yet finalised					

#### High Needs expenditure

The following is a breakdown of the actual costs and pupil numbers for each level of SEND support (forecast position for 2021-22 based on current data):

#### **Budget Summary**

Halton's High Needs Block budget was overspent by £1,599,137 at the end of 2020/21. This was offset by the carried forward balance from the previous year and underspends from the other blocks of DSG, to give an overall deficit of £995,742. This sum has been carried forward into 2021/22 and with continuing cost pressures, the cumulative overspend is currently forecast at £2.19M for the end of this financial year.

It is therefore essential that the increasing cost pressures are reduced. While actions taken from now will impact on future spend, we are likely to have a cumulative deficit as at 31<sup>st</sup> March 2022 in the region of 10% of the High Needs Block budget for next year.

The provisional HN allocation for 2022/23 is estimated to be an increase of £1.3M to £19.6M compared to the current year. This could cover the expected costs for 2022/23 and allow increased investment in Educational Psychology, Specialist Teaching and Early Years, but is unlikely to meet any pay uplifts as well.

However to try to reduce the deficit, identify, assess and meet local needs earlier and more effectively we will be requesting a 1% transfer from the Schools Block to the High Needs Block. Based on current estimates this is likely to be in the region of £1M. After initial modelling there is a possible unallocated amount of £334k of Schools Block funding. If this is proven to be the case when the actual data and allocation is received, instead of increasing one or more cash values to fully devolve the Schools Block, we would reduce the allocations by 0.67% so that when added to the unallocated Schools Block amount it would total 1%. Appendix F shows the indicative Schools Block budgets for each school as previously circulated with the Schools Block Funding Formula consultation plus the comparative budget after the 1% transfer.

## DSG Management Plan

The DfE require all LAs who either end the year with a deficit DSG balance or a significant reduction of their DSG balance to gather the information identified on the DSG Management Plan. This is a combination of figures – past years and forecasts for the next three years – and narrative of the actions and plans in place or in development that will bring us back to a balanced year-end DSG position. This is being finalised but, having found another error in the template we need to return it to the DfE for the error to be corrected.

## Case for transferring Schools Block to High Needs Block

For 2018-2019 schools and School Forum agreed to transfer 0.5% of Schools Block and in 2019-2020 schools, School Forum and the Secretary of State agreed to a transfer of 1% from Schools Block. On 16<sup>th</sup> January 2020 Executive Board agreed that no transfer be requested for 2020-21 as the High Needs budget had increased by £2.29 million. This was to allow the full increase of the Schools Block DSG to be passed through to all mainstream primary and secondary schools/academies.

In line with the Inclusion Charter developed with schools in 2019 and school's responsibilities as part of the Local Offer, schools were advised to use this funding to improve their local provision for their children and young people with SEND, thereby reducing the need for specialist placements and the number of EHCPs. However, demand has continued to increase with the percentage of EHCPs increasing significantly since 2018 from between 12% and 17%.

The question of why we are continually overspending on the High Needs Block is two-fold. Yes, we can always argue that the amount of grant has been well below what we felt we should have been receiving but the number of learners that we are being asked to support is continually rising and we have more than 0.5% of our total statutory age pupil cohort in out of borough placements where costs can exceed £80,000 for one pupil for one year. This would fund 7 primary age pupils or almost 9 secondary age pupils at Band 3 EHCP support.

The transfer of funds from Schools Block to the High Needs Block would not just be to offset the current deficit balance. Three key areas have been identified as requiring additional investment with a view to reducing costs in future years:

- 1. Increasing the Education Psychologists by 1.5fte posts costing £100,000 See Appendix C for details
- Increase the Specialist Teams capacity by 1fte Teacher/Advisor costing £60,000 plus the purchase of an Autism Education Trust (AET) Licence costing £13,200 – See Appendix D for details
- 3. Purchase of the Wellcomm Toolkit costing £22,500, Early Years SENDCO Training and Development work costing £40,000 and the launch of the EY Inclusion Charter plus bespoke training costing £14,100 See Appendix E for details.

#### Summary of Invest to Save costs:

Business Case 1 – Educational Psychologist 1.5fte posts	£100,000
Business Case 2 – Specialist Teacher/Adviser 1.0fte post	£ 60,000
- Autism Education Trust Licence & Materials	£ 13,200
Business Case 3 – Wellcomm Toolkit	£ 22,500
- Early Years SENDCO Training & Development	£ 40,000
<ul> <li>Inclusion Charter launch &amp; bespoke training courses</li> <li>Total</li> </ul>	£ 14,100 £250,000

#### Future Years

It is extremely difficult to say for certain whether a transfer from the Schools Block to the High Needs Block will be needed again in future years as it is dependent upon so many variables. The key variable being the High Needs Block grant allocation from the DfE. The Spending Review should hopefully give some insight into this but that will not be known for some time. There is also the impact of the changes being brought on line in the coming months and years. The hope is that no further transfer will be required but we cannot guarantee this.

## Other DSG blocks

We are already keeping the spend from the Central Schools Services Block to an absolute minimum so that the balance can be used to support the High Needs pressures. The Early Years Block has restrictions on how much can be retained centrally, we are not in a position to offer any transfer from the Early Years Block due to the adverse impact this would have on all EY providers.

#### **Consultation question**

The question is simple – do you agree with the transfer of 1% of the Schools Block allocation for 2022-23 to the High Needs Block, to ease the pressure and support the Invest to Save proposals as set out in this document?

Yes / No

If your answer is No, please state your proposals of how we bring the DSG overall budget back to a balanced position within the next few years.

The deadline for your response is 5pm on Friday 22<sup>nd</sup> October 2021 in order for your response to be included in the report to Schools Forum, on Wednesday 3<sup>rd</sup> November.

Please e-mail your responses to <u>anne.jones@halton.gov.uk</u>

You will shortly be notified of presentation/Q&A sessions to be held via Teams regarding this consultation.
