

F O R W A R D P L A N

FOR THE PERIOD : 1 OCTOBER 2007 TO 31 JANUARY 2008

What is the Forward Plan?

The Forward Plan is a list of the key decisions the Authority intends to take during a four month period. The Plan is updated monthly and is available to the public 14 days before the beginning of each month.

What is a Key Decision?

Key decisions are defined as any executive decision which is likely

- to result in expenditure or savings which are significant in the context of the budget for the service or function in question; or
- to be significant in terms of its effects on the communities living or working in two or more wards in the area.

What does the Forward Plan tell me?

The Plan gives information about:

- what key decisions are coming forward in the next four months;
- when those key decisions are likely to be made;
- who will make those decisions;
- what consultation will be given;
- who you can make representations to, and how;
- what documents will be considered; and
- who you can contact for further information.

Who takes Key Decisions?

Under the Authority's Constitution, Key Decisions are taken by the Council, the Executive Board (and its Sub-Committees/Sub-Boards) or individual officers acting under delegated powers.

Most Key Decisions are taken at public meetings of either the Council or the Executive Board. Council meets at 6.30 pm at the Town Hall, Runcorn and the Executive Board meets at 2.00 pm in the Municipal Building, Widnes.

How to make representations and by when

Names of contact officers are included in the Plan and can be reached via (0151) 907 8300. If you are unsure, please ring Committee Services via the same number and staff there will be able to assist you.

Key Decision	Decision-maker <i>[For details, see notes on final page]</i>	Date decision to be taken	Those to be consulted & how	Relevant reports <i>[i.e. any document relating to the decision which are available at the time of publication of the Forward Plan]</i>	Lead Officer (to whom representations should be made)
