

Tell us how it should be done

The Standards Forum now has more than 1,100 users and over 200 posts on almost 70 different topics. The subjects of vexatious complaints, informing the subject member about a complaint and promoting ethical behaviour continue to be popular. More recently posts about subject members resigning before an election and discussions about the future of the standards regime have been generating interest.

If you have anything to say about these issues or if you want to share good practice, seek advice from your peers or simply draw attention to something you think might be relevant to others, do it on the Forum. To have your say, visit:

The Forum is open to members of standards committees, monitoring officers and other relevant council officers. If you are not currently registered for the Forum and would like to have access, please email: forum@standardsforengland.gov.uk.
