

## **HALTON LOCAL AUTHORITY SCHEME: CO-ORDINATION OF ADMISSION ARRANGEMENTS FOR SECONDARY SCHOOLS – 2012/13 ACADEMIC YEAR**

- 1.0** This document is intended to fulfil the statutory requirements for admissions into year 7 at secondary schools.
- 2.0** The Co-ordinated Secondary scheme applies to the following schools in Halton. The number in brackets denotes the proposed Published Admission Number for 2012, but may alter in the light of the Secondary Reorganisation Programme. Parents requiring further details should contact the LA direct.

Ormiston Bolingbroke Academy (180)	Academy
The Heath School (240)	Proposed Academy
Saints Peter & Paul Catholic College (289)	Voluntary Aided
St Chad's Joint Faith Catholic & CE High School (190)	Voluntary Aided
The Bankfield (190)	Community
The Grange (180)	Community
Wade Deacon High School (300)	Community

Halton Local Authority (LA) is the Admission Authority for the three community high schools, and for the two voluntary aided schools, and academies the Governing Body is the admission authority.

- 3.0** Halton residents will be given the opportunity to complete a common preference form and express a preference, with reasons, for up to 3 secondary schools using this form. The LA must invite applications on the preference form and the preference form must comply with mandatory provisions and the requirements of the DfE School Admissions Code. This form is also available on-line and parents are encouraged to apply for a school place via the Halton Borough Council website at [www.halton.gov.uk](http://www.halton.gov.uk). Parents/carers should only complete one application form and preferences may include Halton schools and schools maintained by other LAs.
- 4.0** Admission authorities (the LA for community and voluntary controlled schools, and governing bodies for voluntary aided and academy

schools) **must** ensure that their determined admission arrangements comply with the mandatory provisions of the School Admissions Code. All admission authorities must operate an Equal Preference Scheme. Within an equal preference scheme all preferences are considered against each school's published admission criteria. After all preferences have been considered, if only one school named on the preference form can offer a place, the LA will send out an offer of a place. If more than one school can offer a place, parents will be offered a place at whichever of those schools is ranked highest on the preference form. This may not be the first preference school. If a school becomes oversubscribed then places will be allocated in accordance with the oversubscription criteria (see paragraph 6.0).

## **5.0 APPLYING FOR A SECONDARY SCHOOL PLACE FOR SEPTEMBER 2012**

- 5.1** Halton LA publishes an "Admission to Secondary School" booklet (a Composite Prospectus). The preference form will be contained within this booklet and the booklet will be issued to all year 6 pupils attending Halton Primary Schools and Halton resident pupils who attend schools in other LAs, and will be available at the 4 Halton Direct Link Offices, Halton Libraries, on line via the council's website, and from the Child Place Planning Team. The booklet will be issued at the start of the Autumn Term, **September 2011**, and the on-line form will be available at the same time.
- 5.2** The preference form will seek three preferences in ranked order (regardless of which LA the school preferences are for). Halton residents whose child(ren) attend a Halton Primary School must return the form to Halton LA no later than **Monday 31<sup>st</sup> October 2011**. Halton residents whose children attend primary schools in other authorities must return the form direct to Halton LA no later than **31<sup>st</sup> October 2011**. On-line forms must also be submitted by this date.
- 5.3** Halton resident parents may request information (a prospectus) regarding schools in neighbouring LAs but **must** complete their preferences on the Halton form. Halton LA will work with its neighbouring authorities: Cheshire, Warrington, Liverpool, Knowsley, St Helen's, together with any other admission authority where a parent has applied for a school place.
- 5.4** On-Line Admissions: LAs are required to have a facility for parents to apply on-line for a secondary school place. This facility is in place for Halton residents via Halton Borough Council's website at [www.halton.gov.uk](http://www.halton.gov.uk) and on-line applications will be dealt with along with all other applications.
- 5.5** Halton LA will record all preferences on the admissions database, including those received from neighbouring LAs whose children are

seeking a place at a Halton School and will forward, week beginning **14<sup>th</sup> November 2011**, details of all first, second, and third preferences for admission to aided schools, for consideration in accordance with their published admission criteria.

- 5.6** The governing bodies of all Voluntary aided schools should note that they must treat first, second, and third preferences equally against their admission criteria and **must** notify the Child Place Planning Team by Friday **16<sup>th</sup> December 2011** which pupils have been offered places and which have been declined and indicate under which criteria the children have been admitted/declined.
- 5.7** When all preferences have been considered Halton LA will notify Halton residents of their child's allocated school, regardless of whether the school is a Halton school, or a school in a neighbouring LA. These notification letters will be sent on **1st March 2012** together with details of the appeal process if applicable.

## **6.0 OVERSUBSCRIPTION CRITERIA**

**6.1** For admission to the community secondary schools in Widnes (The Bankfield and Wade Deacon) for the September 2012 intake, if a community school in Widnes becomes oversubscribed places will be allocated in accordance with the following criteria:

- 1) Children in Public Care – children who are subject to a care order, or are accommodated by the Local Authority
- 2) Children who are resident within the designated catchment zone of the school
- 3) Siblings - pupils with elder brothers or sisters including half brothers and sisters and unrelated children living together as part of the same household, already attending the school and expected to continue in the following year
- 4) Pupils living nearest to the school measured using an Ordnance Survey address-point system which measures straight line distances in metres from the address point of the school to the address point of the place of permanent residence of the pupil

Parents living within a particular catchment zone are not necessarily guaranteed a place at the school within the catchment zone. Generally there are sufficient places for all children living in a school's catchment zone. However, parents must still complete their home LA's preference form and express a preference (or preferences) along with all other parents. If the school is oversubscribed then the criteria detailed above will be applied. Parents may express a preference for a school other than their catchment school, but must do so on their home LA's preference form.

**6.3** The LA will administer the admission of places to Ormiston Bolingbroke and The Heath School and if the schools become oversubscribed places will be allocated in accordance with the following criteria:

- 1) Children in Public Care – children who are subject to a care order, or are accommodated by the Local Authority
- 2) Siblings – pupils with elder brothers or sisters including half brothers and sisters and unrelated children living together as part of the same household, already attending the school and expected to continue in the following year
- 3) Pupils living nearest to the school measured using an Ordnance Survey address-point system which measures straight line distances in metres from the address point of the school to the address point of the place of child's permanent residence of the pupil.

**6.4** For admission to The Grange in Runcorn (community all through school), as this is an all through school, pupils already attending The Grange in year 6 will automatically transfer to year 7 in the School and children will not be required to complete a preference form. If, after all year 6 pupils have moved up to year 7, any places remain, other applicants will then be considered and places will be allocated in accordance with the criteria detailed in 6.3 above. If parents of year 6 pupils already attending The Grange wish to seek admission to an alternative secondary school in year 7 they must request from the LA a preference form which must be completed and returned to the LA by the closing date. Alternatively they may apply on-line within the timescale.

**6.5** For admission to community schools in Widnes and Runcorn the following notes apply:

a) Children who have a statement of special educational needs will be allocated a place at the school named in the statement. If this happens this will reduce the number of places available within any of the oversubscription criteria detailed above.

b) If oversubscription occurs within any one of the above criteria, places will be allocated on distance grounds as described within the distance criteria above.

c) Where applications are received for twins, triplets etc, the LA will apply the oversubscription criteria and will oversubscribe the school if a family would otherwise be separated.

d) The address to be used in measuring distance for the purpose of allocating school places will be the child's permanent address. Where

a child lives with parents with shared responsibility, the LA will use the address of the person receiving Child Benefit for allocation purposes. Parents may be required to submit evidence of Child Benefit upon request from the LA. It may be necessary for the Council to carry out checks that the address given is genuine and parents may be requested to produce further documentary evidence of the child's address. The above criteria will apply without reference to the Halton Borough Council boundary.

e) Where applications are received from families of UK Service personnel and other Crown servants, school places will be allocated to children in advance of the approaching school year if accompanied by an official MOD, FCO or GCHQ letter declaring a return date with full address details and providing they would meet the criteria when they return to the UK.

f) If none of the parent's preferences can be met, in accordance with the School Admissions Code, Halton LA will allocate a school unless there are insufficient places remaining in the authority. In Halton, a place will be allocated at the nearest school to the home address measured in a straight-line distance measurement from the child's permanent residence to the school. This does not affect the parent's rights to appeal for a place at the school(s) they have been refused.

## **7.1 EARLY AGE TRANSFER TO SECONDARY SCHOOL**

Children of exceptional ability and maturity can be considered for transfer to secondary schools one year earlier than normal. It is the responsibility of the Head teachers of primary/junior schools to put forward the names of any pupils whom they consider are physically, intellectually, and emotionally suitable to benefit from such a transfer, and who might be educationally disadvantaged by remaining in the primary sector for a further year. However, as a first step, head teachers will discuss possible candidates with parents, the school's link adviser, and the Educational Psychologist. Parents who consider that early transfer might benefit their child should discuss this with the head teacher.

## **7.2 LATE APPLICATIONS FOR HALTON SECONDARY SCHOOLS**

Late applications for places at Halton Local Authority maintained community schools received after the closing date will not be considered until after the main allocation of places has taken place for all those applications received on time. If an application is received after places have been allocated and the school(s) of preference are oversubscribed, the child will be placed on the school's waiting list, the child's position on the waiting list being determined by the admission

policy. Parents have the right of appeal if admission is refused and details on the appeals process are given in paragraph 8 below.

If parents are making a late application to a voluntary aided school the school will advise how this will be dealt with.

### **7.3 CHANGE OF PREFERENCE**

If parents decide to change their preference after the closing date they will need to complete another preference form. If places have already been allocated the LA may not be able to meet the change of preference and the child's name will be added to the waiting list as paragraph 7.6 below.

### **7.4 CHANGE OF ADDRESS**

If a pupil moves house after the closing date of 31<sup>st</sup> October 2011 parents must notify the LA and request a new preference form. This form must be completed and returned to the LA immediately. If there is a place available at the school of preference a place will be offered. If the year group is oversubscribed then parents will be offered the right of appeal and any other preferences will be considered. The child will also be placed on the waiting list. The LA will require documentary evidence to confirm a change of address.

### **7.5 WITHDRAWAL OF OFFER OF A SCHOOL PLACE**

Halton LA reserves the right to withdraw the offer of a school place in limited circumstances. These may include where a fraudulent/intentionally misleading preference form is received claiming a false sibling or false residence.

### **7.6 WAITING LISTS**

Waiting lists will be held for oversubscribed LA Maintained Community Secondary Schools. The waiting list will comprise of those pupils refused admission to the school(s) of preference. This list will be maintained from the time of initial allocation until the end of the Autumn Term, at which point the waiting list will cease. If a place becomes available at an oversubscribed school, the place will be reallocated in accordance with the published over-subscription criteria detailed above. Parents should be aware that their child's place on the waiting list might alter, either up or down, dependent upon the movement of other applicants. The waiting list forms part of the co-ordinated scheme, therefore applications received up to the end of the Autumn Term will be considered within the scheme, following which any applications received after this date will be dealt with as an in-year admission and the in-year admission process will be applied.

## 8.0 ADMISSION APPEALS

Parents who are not offered a place at any of their preferred LA maintained community, voluntary aided, trust or academy schools have a right of appeal to an independent appeals panel under section 94 of the School Standards & Framework Act 1998. Appeals must be submitted in writing but parents have the right to present their case to the panel in person. The Chairman of the appeal panel will be a lay-person having no connection with the LA. Other members of the panel will be suitably experienced persons. The decisions of independent appeals panels are binding on the LA and on the school's governing body.

Applications for admission to Aided Church schools, Trust and Academy schools will be referred to the Admissions Committee of the governing body of the school concerned. The LA, acting on behalf of the governors, will notify parents of the result of their application. If the application is not approved parents will be notified of their statutory right of appeal.

## 9.0 SCHOOLS WITH SIXTH FORMS

There are currently three schools with sixth forms in the borough for the 2012 intake: Ormiston Bolingbroke Academy, Saints Peter & Paul Catholic College, and St Chad's Catholic and Church of England Joint Faith Voluntary Aided High School.

Each school **must** include in its consultation paper the arrangements they propose to use to allocate places in Year 12. It is not intended that the LA will co-ordinate admissions to sixth form, therefore applications must be sent to the relevant admission authority (i.e. the school) for consideration. Parents and children above compulsory school age have the right to make separate applications for more than one school.

Each school **must** set an admission number for its sixth form, and should say in its published information what the anticipated sixth form capacity will be. However, the published admission number **must** only relate to those being admitted to the school for the first time and should be based on an estimate of the minimum number of external candidates likely to be admitted. It is not necessary for children already in the school to apply formally for places in year 12, but the admission arrangements **must** give details of any entry requirements. Children in care **must** be given highest priority within the criteria, schools **must not** interview children or their families for entry to year 12, although meetings can be held to provide advice on options and entry requirements. Entry **must not** be dependent on attendance, behaviour record, or perceptions of attitude or motivation. Where the admission authority has not admitted up to its PAN it cannot refuse to admit applicants who have met the minimum entry. Any other applicant refused must be given the right of appeal to an independent appeal panel.

## **HALTON LOCAL AUTHORITY SCHEME: CO-ORDINATION OF ADMISSION ARRANGEMENTS FOR PRIMARY SCHOOLS – 2012/13 ACADEMIC YEAR**

- 1.0** This document is intended to fulfil the statutory requirements for admissions into reception class in maintained infant and primary schools.
- 2.0** This Co-ordinated Primary Scheme applies to all those schools detailed on pages 7 and 8 of this document. Halton Borough Council (as the Local Authority - LA) is the Admission Authority for all community and voluntary controlled schools, and the Governing Body of each voluntary aided or academy school is the admission authority for the school.
- 3.0** As in previous years parents/carers **must** complete their home LA's preference form, therefore if a non-Halton resident is seeking admission to a Halton school, (or vice-versa) they must complete their own authority's form which will then be forwarded to the relevant authority and LAs will then share any cross border applications for consideration.
- 4.0** Halton residents will be required to complete a Halton preference form and will be given the opportunity to express a preference, with reasons, for up to 3 primary schools regardless of which authority the school is in. The LA must invite applications on the preference form and the preference form must comply with mandatory provisions and the requirements of the School Admissions Code. This form will also be available on-line and parents are encouraged to apply for a school place via the Halton Borough Council website at [www.halton.gov.uk](http://www.halton.gov.uk).
- 5.0** Where a Voluntary Aided School requires supporting information e.g. asking for a reference from a priest or other religious minister for a faith school, or details of baptism etc parents may be required to complete a supplementary form and VA schools **must** inform parents of their requirements within their school's published admission arrangements.
- 6.0** Admission authorities (the LA for community and voluntary controlled schools, and governing bodies for voluntary aided and academy schools) **must** ensure that their determined admission arrangements comply with the mandatory provisions of the Code. In Halton, as

statutorily required, an Equal Preference Scheme is operated. Within the equal preference scheme all preferences are considered equally against each school's published admission criteria. After all preferences have been considered if only one school named on the preference form can offer a place the maintaining LA will send out an offer of a place. If more than one school can offer a place parents will be offered a place at whichever of those schools is ranked highest on the preference form. This may not be the first preference school. If a school becomes oversubscribed then places will be allocated in accordance with the relevant oversubscription criteria.

**7.0** Admission authorities **must** provide for the admission of all children in the September following their fourth birthday and parents are allowed to request that the date their child is admitted to the school is deferred until the child reaches compulsory school age in that school year. In Halton this already happens. Parents can request their child attends part-time until the child reaches compulsory school age and admission authorities **must** accommodate these requests where it appears to be in the best interest of the child.

**7.1** As recommended in the School Admissions Code the LA will allow parents/carers to defer their child's entry to school until the child is of compulsory school age, providing the parent applies, is offered, and accepts the place within the normal admissions timetable, and the place is taken up within the same academic year. It should be noted that if a child is presently attending a nursery class/early years setting they do not have an automatic right to transfer to the primary school to which the nursery/early years setting is attached. Parents/carers are required to indicate a preference for a primary school along with all other parents/carers. The same applies for children who already have siblings already at a particular school, parents/carers must complete a preference form along with all other parents.

## **8.0 APPLYING FOR A PRIMARY SCHOOL PLACE FOR SEPTEMBER 2012**

**8.1** Halton LA publishes an "Admission to Primary School" booklet (a Composite Prospectus). The preference form will be contained within this booklet and the booklet will be issued to all Halton Primary Schools and will be available at Halton Direct Link Offices, Halton Libraries, on line via the council's website, and upon request from the Child Place Planning Team. The booklet will be issued in **September 2011** and the on-line form will be available at the same time.

**8.2** The preference form will seek three preferences in ranked order. If the form is being returned by post it should be returned to the Child Place Planning Team within the Children & Young People's Directorate, parents may hand deliver their preference forms to the 4 Halton Direct Link Offices in Runcorn and Widnes. All forms must be submitted no

later than **15<sup>th</sup> January 2012**. On-line forms must also be completed by this date. This closing date is a statutorily set closing date.

- 8.3** Halton resident parents may request information (a prospectus) regarding schools in neighbouring local authorities but **must** complete their preferences on their home LA form.
- 8.4** The Child Place Planning Team will load all preferences onto the database including those received from neighbouring LAs whose children are seeking a place at a Halton school and, week beginning **Monday 30th January 2012**, will forward all application details, regardless of whether they are first, second and third preferences to all Voluntary Aided schools where admission is being sought. The Admissions Committee of those governing bodies **must** meet and determine which pupils will be admitted/declined against their admission criteria. Governing bodies must treat first, second, and third preferences equally against their admissions criteria. Voluntary Aided schools **must** notify the Child Place Planning Team by **Wednesday 29th February 2012** which pupils have been offered places and which have been declined. Schools **must** indicate under which criteria each child has been offered/declined a place.
- 8.5** The LA will then undertake a final data exchange with neighbouring LAs to ensure that all children have an allocated school on 30th March 2012.
- 8.6** When all preferences have been considered and allocations finalised, Halton LA will write out to all Halton residents advising on their allocated school regardless of whether the school is a Halton school or a school in a neighbouring LA. This notification letter will be sent on **Monday 23rd April 2012** together with details of the appeal process if applicable. Parents/carers will be required to decline any offer of the school place within 10 school days. If the LA does not hear from the parent/carer then it is assumed the place has been accepted.
- 8.7** Parents will have until Friday 11th May 2012 to lodge any appeals with the LA.

## **9.0 OVERSUBSCRIPTION CRITERIA**

- 9.1** If a Halton community or voluntary controlled school becomes oversubscribed, places will be allocated in accordance with the following criteria:
- 1) Children in Public Care – children who are subject to a care order, or are accommodated by the Local Authority
  - 2) Siblings – pupils with elder brothers or sisters including half brothers and sisters and unrelated children living together as

part of the same household, already attending the school and expected to continue in the following year

- 3) Pupils living nearest to the school measured using an Ordnance Survey address-point system which measures straight-line distances in metres from the address point of the school to the address point of the place of permanent residence of the pupil.

For admission to community and voluntary controlled schools the following notes apply:

a) Children who have a statement of special educational needs will be allocated a place at the school named in the statement. Where a child with a statement is allocated a place this will reduce the number of remaining places available to allocate within the above oversubscription criteria.

b) If oversubscription occurs within any one of the above criteria 1-3, places will be allocated on distance grounds as described within the distance criteria (3) above.

c) Where applications are received for twins, triplets etc, the LA will apply the oversubscription criteria and will oversubscribe the school if a family would otherwise be separated. Parents and schools should note that this does not apply to key stage one (infant classes) where statutory class size limits apply. If only one place is available the place will be offered to the oldest child of multiple birth.

d) The address to be used in measuring distance for the purpose of allocating school places will be the child's permanent home address. Where a child lives with parents with shared responsibility the LA will use the address of the person receiving Child Benefit for allocation purposes. Parents may be required to submit evidence of Child Benefit upon request from the LA. It may also be necessary for the Council to carry out checks that the address given is genuine and parents may be requested to produce further documentary evidence of the child's address. The above criteria will apply without reference to the Halton Borough Council boundary.

e) Where applications are received from families of UK Service personnel and other Crown servants, school places will be allocated to children in advance of the approaching school year if accompanied by an official MOD, FCO or GCHQ letter declaring a return date with full address details and providing they would meet the criteria when they return to the UK.

f) If none of the parent's preferences can be met, in accordance with the School Admissions Code, Halton LA will allocate a school unless there are insufficient places remaining in the authority. In Halton, a place will be allocated at the nearest school to the home address

measured in a straight-line distance measurement from the child's permanent residence to the school. This does not affect parent's rights to appeal for a place at the school(s) they have been refused.

## **9.2 THE GRANGE ALL THROUGH COMMUNITY SCHOOL**

The Grange is a designated all through community school, therefore children enrolled in the school's nursery will automatically transfer from the nursery to infants, infants to juniors, and juniors to secondary within The Grange. If, after those children attending the nursery are allocated a place at the school, any places remain, they will be allocated in accordance with the admissions criteria as detailed in paragraph 9.1 above.

## **10.0 LATE APPLICATIONS FOR HALTON PRIMARY SCHOOLS**

Late applications for places at Halton Local Authority maintained community and voluntary controlled schools received after the closing date will not be considered until after the main allocation of places has taken place for all those applications received on time. If an application is received after places have been allocated and the school(s) of preference are oversubscribed, the child will be placed on the school's waiting list, the child's position on the waiting list being determined by the admission policy. Parents have the right of appeal if admission is refused and details on the appeals process are given in paragraph 15 below.

If parents are making a late application to a voluntary aided school the school will advise how this will be dealt with.

## **11.0 CHANGE OF PREFERENCE**

If parents decide to change their preference after the closing date they will need to request and complete another preference form. The on-line facility will not be available after the closing date. If places have already been allocated the LA may not be able to meet the change of preference and the child's name will be added to the waiting list as detailed in paragraph 14 below.

## **12.0 CHANGE OF ADDRESS**

If a pupil moves house after the closing date parents/carers **must** notify the LA and request a new preference form. The preference form must be completed and returned to the LA immediately. If there is a place available at the school of preference a place will be offered. If the year group is oversubscribed then parents will be offered the right of appeal and any other preferences will be considered. The child will also be placed on the waiting list. The Local Authority will require documentary evidence to confirm a change of address.

### **13.0 WITHDRAWAL OF OFFER OF A SCHOOL PLACE**

Halton LA reserves the right to withdraw the offer of a school place in limited circumstances. These may include where a fraudulent/intentionally misleading preference form is received claiming a false sibling or false residence.

### **14.0 WAITING LISTS**

The LA will maintain waiting lists for oversubscribed community and voluntary controlled primary schools. The waiting list will comprise of those pupils refused admission to the school(s) of preference. This list will be maintained from the time of initial allocation until the end of the Autumn Term, at which point the waiting list will cease. If a place becomes available at an oversubscribed school, the place will be reallocated in accordance with the published over-subscription criteria detailed above. Parents should be aware that their child's place on the waiting list might alter, either up or down, dependent upon the movement of other applicants. The waiting list forms part of the co-ordinated scheme, therefore applications received up to the end of the Autumn Term will be considered within the scheme, following which any applications received after this date will be dealt with as an in-year admission and the in-year application process will be applied.

### **15.0 ADMISSION APPEALS**

Parents who are not offered a place at any of their preferred community, voluntary controlled, voluntary aided trust or academy schools have a right of appeal to an independent appeals panel under section 94 of the School Standards & Framework Act 1998. Appeals must be submitted in writing but parents have the right to present their case to the panel in person. The Chairman of the appeal panel will be a lay-person having no connection with the LA. Other members of the panel will be suitably experienced persons.

Parents should note that the law requires that no 5, 6, or 7 year old in an infant class should be in a class of more than 30 pupils. Parents will have a right of appeal but an appeal panel can only uphold this appeal if it is satisfied that:

- a) the decision was not one which a reasonable admitting authority would make in the circumstances of the case, and/or
- b) that the child would have been offered a place if the admission arrangements had been properly implemented.

The decisions of independent appeals panels are binding on the LA and on the school's governing body.

Applications for admission to Aided Church schools will be referred to the Admissions Committee of the governing body of the school

concerned. The LA, acting on behalf of the governors, will notify parents of the result of their application. If the application is not approved parents will be notified of their statutory right of appeal.

## **16.0 SCHOOLS TO WHICH THIS SCHEME APPLIES:**

The LA as commissioner of school places is continually reviewing and monitoring the number of places available against projected pupil numbers and updates head teachers accordingly. It is possible that occasionally, there may be certain geographical areas within the borough where demand for places is higher than the actual number of places available, and the LA will, in discussion with the school, give consideration to admitting above a school's Published Admission Number (PAN). Admitting above a school's PAN will only be agreed between the school and the LA where it is confirmed that to do so will not affect the school in the longer term and will not have a detrimental effect on neighbouring schools and providing it does not breach infant class size legislation.

The figure in brackets denotes the school's proposed Published Admission Number for 2012 but may alter as a result of any school reorganisation.
