

REPORT TO: Safer Halton Policy and Performance Board
DATE: 19 September 2006
REPORTING OFFICER: Strategic Director, Corporate and Policy
SUBJECT: Local Area Agreements
WARDS: Boroughwide

1.0 PURPOSE OF REPORT

1.1 A Local Area Agreement (LAA) is a 3-year protocol that sets out the priorities for a local area, agreed between central government and the area itself, as represented by the lead local authority and other key partners through Local Strategic Partnership. Government has stipulated that Halton will be in Round 3 of the programme. This means that an Agreement must be negotiated by next April. The purpose of this report is to update the Board on the process and progress to date.

2.0 RECOMMENDATION: That

(1) the report and the outline of the process be noted; and

(2) comments to Executive Board on the draft Agreement be provided prior to its approval and submission to Government by end of September.

3. SUPPORTING INFORMATION

3.1 LAAs are meant to join up, focus and simplify the administration of neighbourhood renewal activity which utilises external funding. They provide a framework for partnerships to grow and develop and are a tool for driving efficiency. Whilst currently limited in scope, there is every indication that Government would like to extend LAAs in the future to cover elements of mainstream and statutory activity. Normally, LAAs are based upon four blocks established around the shared priorities for Government:

- Enterprise & Economic Development
- Healthier communities, and older people
- Safer and stronger communities
- Children and young people

3.2 The concept of an LAA is that it will spell out the priorities and targets for local well being, based on outcomes which reflect local and national priorities. These then form the basis of an agreement between an LSP and government departments that sets out the aims and funding

requirements for activities that lie outside mainstream services – the special initiatives. This approach acts as the basis for a negotiated settlement between an LSP and government on the overall level and pattern of ‘additional’ spending in an area over a given timeframe, say three years. Once established, the local area agreement helps to bring vertical alignment between national and local priorities. Overall they reduce the complexity of funding arrangements by allowing more flexibility in the use of government monies and streamlining bureaucracy. As a starting point the Government has set out in its guidance a range of key mandatory outcomes and targets that every LAA must include. It is then for local discretion what other outcomes should be pursued in pursuit of local goals, which should derive from the Community Strategy. Members will be aware that the priorities agreed in the Community Strategy largely mirror the four blocks, with the addition of Urban Renewal. Government allow local flexibility in how LAAs are structured. Therefore, the starting point for the Halton LAA is that it is being framed around our agreed five priorities rather than the four blocks.

- 3.3 There is the opportunity within LAAs to request enabling measures (previously called freedoms & flexibilities). This is where we would wish to remove government-imposed barriers which would get in the way of delivering LAA outcomes and targets. These are not intended to alter legislation, or request central intervention on matters which should be settled locally.
- 3.4 LAAs do not carry with them extra funding, apart from a reward element. However, this is merely a rebranding of the financial rewards of local public service agreements (LPSA 2). Halton has already negotiated its LPSA2 and agreed its targets and arrangements for dividing pump-priming monies. Therefore, the LPSA2 will be incorporated into the LAA.
- 3.5 Government has set out a fairly specific timetable for the process leading to the adoption of an LAA. This is as follows:
 - By end September - areas submit first draft LAAs to GONW. These must include outcomes, indicators and indicative targets, funding streams, the business case for Enabling Measures, a draft Statement of Community Involvement, and partnership arrangements.
 - By December, final drafts must be received by GONW. Ministerial sign-off will be during February 2007, with LAAs being implemented from April 2007.
- 3.6 It is clear that we have in place many of the building blocks in Halton that will enable a strong and robust LAA to be put in place. These include established governance framework for the Halton Strategic Partnership. The Priorities Process, our strategic planning process is complete, and we have a new Community Strategy framed around the LAA structure. The Community Strategy has 54-shared outcomes,

which already address the LAA Mandatory Outcomes, as dictated by central government. As already mentioned, we have already successfully negotiated our LPSA 2 and put in place arrangements for sharing out the pump priming monies. The 12 LPSA2 targets have been put in place behind the Community Strategy and will be passported into the LAA. In addition we have a Safer and Stronger Communities Fund Mini-LAA already in place, which will be an important component of our final LAA.

3.7 The LSP has the task of managing the process forward and shaping the agreement. The following key steps and milestones to help trace the path for the rest of the year:

- Draft LAA end of August
- Consideration and comments from PPBs and SSPs
- Halton Strategic Partnership Board Endorse LAA September
- Executive Board Endorse Draft LAA September
- Submit draft LAA to GONW end of September
- Negotiation Process Oct/Nov
- Exec Board/LSP Formal Endorsement to Final LAA (Dec)
- Final Submission – Xmas

3.8 This is obviously only a skeleton of the process and overlays a great deal of activity. There was a major partnership event in July to consider the framework for the agreement. Partners have put in a great deal of work over the summer to draw up the first draft of the LAA. Attached as an Annex to this report is the initial draft of the Agreement. Executive Board will consider this on 21 September prior to its submission to Government Office by the end of the month.

3.9 Members will observe that the Agreement is largely a re-presentation of the agreed Community Strategy and is based on the outcomes and funding embedded in existing plans and strategies. In considering their comment, in particular members may wish to focus on the outcome framework within the document that relates to their portfolio, and how it could help the Council to achieve its key objectives.

3.10 Underpinning the outcomes framework is an attempt to “prioritise the priorities” by articulating a small number of transformational issues that demonstrate the crosscutting and joined up approach to achieving the Halton vision. These four issues – liveability, anti-social behaviour, alcohol harm, and employment and skills – are largely self selecting based on expressed community needs, the State of halton Report and the recent LSP review. By focussing on these many of the overall outcomes and targets would be achieved. The LAA would look to provide a greater focus on these areas, particularly given the impact they have across all priorities. For each area we need to look at:

- What we are doing?
- What are the barriers to progress?

- What could we do as a Partnership to address those issues that we aren't already doing? e.g. shared targets, pooled budgets, co-location,
- What could the Government do to help us?

3.11 On the latter point, the agreement identifies a number of enabling measures that we would like Government to consider to remove barriers to our progress. The overall objective would be to push harder in those issues that we know will have a positive impact across the priorities in the Community Strategy.

4.0 POLICY IMPLICATIONS

4.1 A Local Area Agreement (LAA) is a 3-year agreement that sets out the priorities for a local area, agreed between central government and the area, represented by the lead local authority and other key partners through Local Strategic Partnership. The LAA provides a service improvement tool for helping to implement Halton's adopted Community Strategy.

5.0 OTHER IMPLICATIONS

5.1 None.

6.0 RISK ANALYSIS

6.1 The LAA includes proposals for a robust risk management process. This will focus attention and resources on critical areas, provide more robust action plans and better-informed decision-making. It is intended to carry this forward through a partner seminar examining risk management of the Agreement in October.

7.0 EQUALITY AND DIVERSITY ISSUES

7.1 The LAA will be based on the same values that underpin the Community Strategy and the Council's Corporate Plan, of which a commitment to equality and diversity is paramount. The LAA reinforces this value-driven system of partnership working.
