This action plan has been developed with reference to the following national documents

ACPO CSE Plan

OCC Interim Report – I Thought I was the only one

DOE CSE Action Plan

1. Multi Agency Partnerships;

The LSCB must be informed of the partnership arrangements within its borders and the level of specialist commitment by partnership organisations.

	Action	Anticipated Outcomes	Lead	Timescales	Updates / Comment	RAG
1.1	The Pan Cheshire Strategic Group will produce a protocol defining joint working.	Establish a joint working protocol that ensures all agencies across Cheshire are working to the same protocol.	Pan Cheshire Group (PCSG)	End 2012	Pan Cheshire protocol has been completed and agreed by all LSCB's. This has now been shared and agreed as a Pan Cheshire Merseyside protocol (Jan 2013) (Updated PCSG 10/02/13)	●
1.2	The Pan Cheshire Strategic Group will look to identify appropriate Pan Cheshire support services for victims and their extended families including support during criminal justice journey and beyond ACPO 2.4	To scope and assess provision of support services. To engage, influence and signpost victims to appropriate provision ensuring seamless support throughout the Criminal Justice process. Identified gaps in service to be highlighted and progressed by Local Safeguarding Children's Board/Local Criminal Justice Board.	Pan Cheshire and Sub Groups	April 2013	Identified services already in place, include, RASASC and NSPCC, although these cover different ages. The Pan Cheshire Group to identify what services are available. This will be clarified through the SPPU linking in with the CJU. Each sub group to map out their own services to clarify any locally delivered services that are available. (Agreed & Updated PCSG 10/02/13)	●

		Ensure witness intimidation and acts of interference are robustly investigated and breaches of bail effectively identified and enforced			Update 15/05/2013 – the sub groups to clarify their position by the next meeting July 2013.	
1.3	<p>The Pan Cheshire Strategic Group will ensure appropriate and continual assessment of the quality of service delivered to victims and their families</p> <p>ACPO 2.6</p>	<p>Consult/De-Brief victims re quality of service delivery.</p> <p>Best Practice should be shared through the Police On Line Knowledge Area (POLKA)</p> <p>Work to protect victims from becoming offenders through working with voluntary services and children's services.</p>	<p>LSCB's</p> <p>SPPU – DCI</p>	Update July 2013	<p>It is expected that this can be achieved through adopting a Thematic review of CSE cases through the LSCB, Q A sub groups (Agreed & Updated PCSG 10/02/13)</p> <p>Police are developing a Quality Assurance Framework for PPU's. DCI Wenham to include CSE cases within this framework (Agreed & Updated PCSG 10/02/13)</p> <p>Update 15/05/2013 – Police SPPU have implemented a QA audit process, the first phase of case audits has commenced for Q1 2013/14. These are focused on Child Protection cases, not specifically CSE.</p> <p>The next phase will include MFH and CSE. This will not start until July 2013.</p> <p>Each of the sub groups needs to clarify their positions relating to intended CSE QA Audits for the coming year. To further update their position for the next meeting July 2013.</p>

3. Training of Frontline Staff

The LSCB must ensure that appropriate training is in place for front line staff regarding CSE.

	Action	Anticipated Outcomes	Lead	Timescales	Updates / Comment	RAG
3.1	The Pan Cheshire Strategic Group will ensure the development of multi-agency training regarding CSE	<p>To raise awareness of CSE across all professionals and agencies.</p> <p>To provide appropriately targeted training.</p> <p>To raise awareness of the 'signs' checklist (see 1.4)</p> <p>To develop robust and effective multi agency working practices in relation to CSE.</p>	<p>CP Training and Development (Nigel Reid)</p> <p>LSCB training Managers</p>	Update July 2013	<p>Cheshire Police are delivering single agency training commencing April 2013.</p> <p>Training has already been delivered to over 300 officers in Warrington and Halton.</p> <p>(Updated PCSG 10/02/13)</p> <p>Update 15/05/2013 - DCI Wenham,</p> <p>In terms of the current training, this has been a phased approach which has been hampered by several other training demands but in general terms the basic awareness has been developed between the Local Safeguarding Boards and the Police, this is so we all send out a corporate message. The Police training has initially focused on frontline officers, this has been delivered through the area training days, as you can appreciate this</p>	●

					<p>is a 5 week cycle so commitment to deliver is quite considerable. When this is completed or demand allows, our focus was to revert to HQ and Control Room staff, this is a programme that all officers and staff must complete.</p> <p>The training package is corporate in its approach as such any training to HQ or control room will reflect the corporate content.</p> <p>In terms of the PPU's, they will not be developing their own training for Intel, any training delivered will be taken from the corporate package and will reflect the necessary information that department requires - DS Reid is monitoring this and will be encouraging this to happen.</p> <p>In terms of FIB/Intelligence, we need to address the awareness of CSE as it is anticipated that there will be a significant growth in the information and intelligence coming into the force, particularly now</p>
