LICENSING ACT 2003
Objection notice – Prevention of Public Nuisance

Dear Sir/Madam,

On behalf of the relevant Environmental Health authority we hereby give notice of my objection to the following application for a Temporary Event Notice (TEN) relating to the Hammer and Pincers, Liverpool Road, Widnes, WA8 7XU.

. TEN for Saturday 28th May 2016: Application received by the Environmental Health Department on 27th January 2016.

We object to this application because we believe that allowing the premises to be used in accordance with the above TEN will undermine the licensing objective of prevention of public nuisance.

We can advise you that there have been complaints of noise nuisance relating to the event held at Hammer and Pincers, Liverpool Road, Widnes, Cheshire, WA8 7XU

An abatement notice under s.80 of the Environmental Protection Act 1990 was served on the above named person at the above named premises in May 2015. We note that the TEN relates to an event proposed to be held in the beer garden of the premises between 00:00hrs – 00:00hrs and will involve the provision of regulated entertainment.

Based on the history of justified complaints we confirm our view that allowing the premises to be used in accordance with the above TEN will undermine the licensing objective of the prevention of public nuisance.

Yours Sincerely,

Wendy Salisbury
Principal Environmental Health Officer
