EXB90 CARE PROVIDER CONTRACT UPLIFT 2021/22

The Board considered a report of the Strategic Director – People, which informed of the outcome of the consultation discussions with domiciliary care, direct payments, supported living and care home providers within Halton in respect of the proposed fee increases for 2021/22.

It was noted that the Care Act 2014 required local authorities to ensure that the market as a whole remained viable and sustainable. When commissioning services, local authorities must have regard to the cost effectiveness and value for money that the services offered for public funds. However, they must not undertake any actions that may threaten the sustainability of the market and must ensure that remuneration for staff must be at least sufficient to comply with national minimum wage legislation, and that

there was a fair price paid for care.

Members were presented with the key issues and risks to be considered and the recommended fee uplifts, these were detailed in paragraphs 3.7 to 3.10 of the report.

RESOLVED: That the Executive Board

- 1) note the contents of the report;
- 2) considers the recommendations and risks; and
- 3) approves that the recommended uplift for 2021/22, as indicated in paragraphs 3.7 to 3.10, be offered to care providers.

EXB91 COVID 19 EXCEPTIONAL HARDSHIP FUND

The Board received a report from the Strategic Director – Enterprise, Community and Resources, which recommended the introduction of a Covid-19 Exceptional Hardship Scheme.

It was reported that as part of its response to the Covid-19 Pandemic, the Council had provided a range of financial and non-financial support measures to support residents since March 2020. The Shielded Individuals Hub, the Self Isolation Support Scheme, Discretionary Housing Payments, the Discretionary Support Scheme, as well as the Welfare Rights and Money Advice Service were all provided, as described in the report.

A proposal was made to introduce a Covid-19 Exceptional Hardship Scheme, in order to assist residents who suffered hardship due to having to self-isolate without meeting the criteria for other forms of Covid-19 or other financial support.

The Scheme's Statement of Objectives, application process and eligibility criteria were presented for consideration by the Board. Members were also referred to the Appendix, which contained an extract from the Council's Local Outbreak Management Plan (LOMP) regarding contract tracing and self-isolation.

EXB93 LOCAL AREA FORUMS

The Board considered a report from the Strategic Director – Enterprise, Community and Resources, which presented details of the impacts that the planned changes to the Borough's Ward boundaries will have upon Local Area Forums.

It was noted that the planned changes to the Borough's current Ward boundaries were due to come into effect on 7 May 2020, but were delayed as the local elections were postponed due to the Coronavirus outbreak. Therefore, the boundary changes would now come into effect on 6 May 2021 and these had implications for the Local Area Forums.

It was reported that following the establishment of the new Wards the current seven Area Forum 'footprints' would

be affected. Officers recommended that six new Area Forums be established with effect from 6 May 2021; these were set out in paragraph 3.7 of the report. Members were referred to Appendix 1, which showed a map of the proposed new Area Forum boundaries against the current Area Forum footprints.

RESOLVED: That the Board approves

EXB94 ELIGIBILITY CRITERIA AND MOVE ON PATHWAY PLAN FOR THE COUNCIL'S HOUSING AND HOMELESSNESS SERVICES

The Board considered a report from the Strategic Director – People, updating them in respect of the changes to the eligibility criteria for accessing housing and homelessness support that was made as a result of the Coronavirus Pandemic.

At the beginning of the Pandemic central Government announced that all local authorities should continue with the statutory eligibility criteria for services but also adopt an approach of supporting all people who contacted housing and homelessness services for help, irrespective of their priority need. This 'Everyone In' approach meant that although those with priority need would continue to be supported as before, there was now an additional layer of support for a wider group of vulnerable people that was needed. The report outlined how this led to an increased demand on services and provided information on the commissioning of additional provision to help meet this increased demand.

It was reported that the Ministry of Housing, Communities and Local Government (MHCLG) had advised that move on pathway plans to reduce temporary accommodation must now be in place. The policy was now

to support people to move on from their homeless accommodation into more permanent settings and for the local authority to transition back to the routine approach to the delivery of homelessness services.

The 'Move On Pathway' recommendations were set out under paragraph 3.2 together with the proposed pathway plan for Halton. This would enable the Housing Solutions Team to adopt a phased approach in reverting to the homelessness eligibility criteria.

RESOLVED: That the Board

- 1) notes the contents of the report; and
- 2) agrees with the recommendations set out in paragraph 3.2, that the Housing Solutions Team revert to using the homelessness eligibility criteria and adopt a phased approach to its implementation.
