<b>REPORTING OFFICER:</b>	Strategic Director Corporate and Policy
<b>SUBJECT:</b>	Local Area Agreement Delivery Plan
<b>WARDS:</b>	Borough-Wide

### **1.0 PURPOSE OF THE REPORT**

- 1.1 This report proposes the updating of the Action Plans for each of the five strategic priorities in order to deliver Halton's Local Area Agreement and the approval of the funding allocations contained within them.

### **2.0 RECOMMENDED: That**

- i). the five Action Plans accompanying the report be approved;
- ii). the allocation of the Working Neighbourhood Fund and Safer and Stronger Communities Fund referred to in this report and contained in the Action Plans endorsed by the Halton Strategic Partnership Board, be approved;
- iii). The continued allocation of the remaining elements of the Area Based Grant to fund individual services be approved as set out in Appendix 2;
- iv). the allocation of the Council's Priority Funds referred to in this report including that contained in the Action Plans be approved; and,
- v). delegated authority is given to the Chief Executive in consultation with the Leader and Deputy Leader of the Council to approve amendments to the Actions Plans as necessary.

### **3.0 SUPPORTING INFORMATION**

Halton has in place an established mechanism for managing its neighbourhood renewal programme. Since 2002, the Halton Strategic Partnership Board has ensured that there is a Specialist Strategic Partnership (SSP) for each of the five priorities. These partnerships were commissioned to produce the original Strategies and Action Plans and have produced updated Action Plans setting out their activities and investment proposals for 2008/09. They set out a programme of activity to deliver the thematic elements of the Community Strategy, and in

particular to address the key measurable outcomes set out within it. Proposals within the Action Plans are expected to:

- address the priorities;
- be based on evidence of need and best practice;
- focus on prevention;
- have an exit strategy;
- help the most disadvantaged;
- be cost-effective and good quality; and
- bring an appropriate level of match funding

The Action Plans utilise Working Neighbourhoods Fund (WNF), and in the case of the Safer Halton Partnership Safer and Stronger Communities Fund (SSCF) as well. In addition the Council has committed a substantial amount of resources through the Priorities Fund (PF). The Council monies are aimed at supporting neighbourhood renewal activity by match funding initiatives within the Action Plans. The Action Plans are appended to this report and have been considered and endorsed by the Halton Strategic Partnership Board

The Local Area Agreement is now in force, as the operational plan for the Community Strategy. A number of existing funding streams have been pooled by Government in the form of Area Based Grant to help fund this. Area Based Grant is largely made up of a number of existing specialist and dedicated grants for a range of Council services. Although the new grant rules allow us to spend this grant on any activity, it is suggested that for 2008/09 that they be passported through to services as before, and accounted for under current procedures. This is necessary because allocations were only announced by Government in December. There is too little time to undertake a systematic review of activity without damaging its momentum. A full review will be undertaken over the next six months to inform decisions for 2009/10 onwards. Appendix 2 details the full make up of Area Based Grant. The two general funding pots – WNF and SSCF – are still the subject of an allocations process through the LSP's SSP Action Plans. The Council is the accountable body for the Local Area Agreement and it is necessary for Executive Board to formally approve any allocations.

#### **4.0 FUNDING**

The proposals within the Action Plans will be funded from a number of sources, both public and private. For the purposes of this report the Working Neighbourhoods Fund (WNF), Safer and Stronger Communities Fund (SSCF) and Halton Borough Council's Priorities Fund (PF) contributions have been highlighted separately.

For 2008/09 a new LAA will be in force, as the operational plan for the Community Strategy. It should be noted that we are currently in a process of transition. The current LAA is virtually moribund, and the shape of the new LAA is just emerging. It will be June before it is finalised. This impacts upon the SSP Action Plans because they are the vehicles for the delivery of the LAA. Hence, it is perhaps appropriate to view the plans now submitted as being interim. Each SSP will be given the opportunity to revisit their plan when the new LAA has been agreed. They may also need to be reworked to take into account the developing performance management framework of the LAA.

As members are aware, the Council has set aside £750,000 capital funding each year along with revenue funding, which increases year on year. This funding, the Priorities Fund, is intended to divert or bend mainstream spending towards the five priorities. The proposed Action Plans allocate £1,620,512 of the Revenue Priorities Fund available. The balance has been committed to support spending priorities behind the Community Strategy and Corporate Plan through the mainstream budget.

Appended to this report are details of the proposals within the five Action Plans. In summary, the funding implications are as follows:

	Revenue Priorities Fund	Capital Priorities Fund	Working Neighbourhoods Fund	SSCF
A Healthy Halton	305,000	0	710,313	
Halton's Urban Renewal	25,000	750,000	616,960	
Children & Young People in Halton	412,000	0	831,226	
Employment, Learning & Skills	283,512	0	1,054,641	
A Safer Halton	235,000	0	903,440	594,764
Area Forums	360,000	0	240,000	
Partnership support, development and promotion	0	0	256,000	
Commissioning Pot			432,171	
<b>Total</b>	<b>1,620,512</b>	<b>750,000</b>	<b>5,022,944</b>	<b>594,764</b>

- 5.0** By reducing allocations by 20% for 2008/09 for each SSP, a new central commissioning pot amounting to £432K has been created. Draft

criteria and a management process for this strategic commissioning are being developed. The intention is that the commissioning pot will have a focus on the priorities of the new LAA - worklessness, health, crime and in particular narrowing the gap on these and other measures of deprivation in our neighborhood management areas.

- 6.0 The Specialist Strategic Partnerships will be responsible for regular and careful monitoring of expenditure and progress will be reported to the Halton Strategic Partnership Board. The position will be reviewed in October 2008 and any necessary adjustments made then.
- 7.0 Before individual projects contained within the Action Plans can proceed, a service agreement must be entered into with the relevant Specialist Strategic Partnership and the Halton Strategic Partnership Board. These service agreements set out the expected outcomes and outputs together with quarterly expenditure forecasts. The Specialist Strategic Partnerships are responsible for monitoring progress on a quarterly basis, and progress is reported to the Halton Strategic Partnership Board.

## **5.0 POLICY IMPLICATIONS**

- 5.1 The proposals in the Action Plans have important direct implications for the Council's key strategic objectives. There are financial implications associated with the allocation of the Priorities Fund.

## **6.0 IMPLICATIONS FOR COUNCIL PRIORITIES**

- 6.1 There are significant implications for all Council priorities. The decision of executive Board will award significant funding to all five priorities and fund a range of initiatives which impact on the quality of life of Halton residents. The listing of schemes, by priority is set out in Appendix 1.

## **7.0 RISK ANALYSIS**

- 7.1 The costs identified in the plans are indicative only at this stage and there is a risk that allocated monies could remain unspent at years end. However, there is now five years experience of managing this process and a combination of over programming and robust programme management is used to mitigate this risk. The LAA and Action plans are subject to a strategic risk management process. It is not considered that they form a significant risk necessitating a separate major risk appraisal.

## **8.0 EQUALITY AND DIVERSITY ISSUES**

- 7.1 The Action Plans operationalise the Community Strategy and Local Area Agreement. A key component of that strategy is a commitment to

equality and diversity in all the policies, programmes and processes that are undertaken. This commitment will be embedded in all of the actions in the plans.
