2.0 RECOMMENDATION: That the Board note the presentation and its contents

3.0 SUPPORTING INFORMATION

The presentation is designed to provide Health & Wellbeing Board members with an update from the lead commissioner on the current approach to dental services in Halton, current challenges and developments in response to COVID-19

A local provider of specialist dental services in Halton will then set out its own response and actions taken during the COVID-19 outbreak, and share its emerging work on a new Dental Network strategy, setting out its mission to be person focussed, helping to improve the health & wellbeing of every patient treated. This is being developed to embed the principles and maximise the opportunities of collaboration described in the White Paper.
