

REPORT TO: Health and Wellbeing Board

DATE: 12 October 2022

REPORTING OFFICER: Strategic Director, People

PORTFOLIO: Health and Wellbeing

SUBJECT: Dementia Friendly Halton Borough Council Plan

WARD(S) Borough-wide

1.0 PURPOSE OF THE REPORT

1.1 To present the Dementia Friendly Halton Borough Council (HBC) Plan for information.

2.0 RECOMMENDATION: That the report be noted.

3.0 SUPPORTING INFORMATION

3.1 Dementia friendly communities is a programme from the national Alzheimer's Society that encourages everyone to share responsibility for ensuring that people with dementia feel understood, valued and able to contribute to their community.

3.2 The Dementia Friendly Communities programme focuses on improving inclusion and quality of life for people with dementia and encourages organisations to develop and implement local action plans.

3.3 Executive Board gave approval in June 2022 for the attached action plan to develop a dementia cross council approach.

3.4 Whilst there is considerable scope across all council areas to include dementia friendly actions, the action plan has selected tasks that can be done relatively quickly and with minimal/no direct financial implications (notwithstanding staff resource required to implement the actions).

3.5 The actions have been grouped into 3 priorities

- 1) Setting up the 'infrastructure' to support a dementia friendly commitment by the council
- 2) Raising awareness amongst HBC staff, and beyond. A key aspect of the Alzheimer's Society dementia friendly approach.
- 3) Specific service area tasks. As awareness is raised and knowledge grows, it is anticipated that further dementia

friendly/service development actions will be identified going forward.

- 3.6 Monitoring of progress against the plan will be done initially via quarterly update report to Adult Social Care SMT, as this sits alongside the wider One Halton Dementia Delivery Plan that is being led by Adult Social Care.

4.0 **POLICY IMPLICATIONS**

- 4.1 Developing a more dementia friendly HBC for staff and residents of Halton is in line with HBC's commitment to the Liverpool City Region Dementia Pledge.
- 4.2 The actions in the draft action plan are in line with the Alzheimer's Society dementia friendly approach.
- 4.3 One Halton is in the process of developing a local dementia delivery plan, in which building dementia friendly communities will form an integral part, based on recommendations from Alzheimer's Society in their guidance to local authorities for developing local strategies

5.0 **RISK ANALYSIS**

- 5.1 Halton Borough Council is well placed to lead a local 'dementia friendly' movement, and there are many opportunities to do so across both directorate service areas. The attached action plan should be seen as a starting point, with further actions to be added throughout regular reviews of progress and as the movement gathers momentum within the organisation.
- 5.2 There are no risk identified at this stage that would warrant a full risk assessment.

6.0 **EQUALITY AND DIVERSITY ISSUES**

Whilst it is not an inevitable part of aging, dementia does most commonly affect those over the age of 65. The action plan aims to raise awareness of dementia so that council service areas may better understand the needs of people living with dementia, regardless of their age at time of diagnosis.
