3.0 SUPPORTING INFORMATION

3.1 Attached to this report is the ASC Annual Report for 2022-2023, also known as 'the local account'.

3.2 As agreed by Adults SMT in Spring 2023, the theme of this year's report is 'making a difference'. As well as context as to what the local provision of ASC looks like and the direction of ASC during the report period, the report also looks at how ASC has made a difference to people through the services we deliver, through our workforce and through innovative thinking.

3.3 The report looks at some examples of where services, staff and innovation have positively impacted on people who use our services. Sections contain feedback from people and staff as to how this has made a difference.

3.4 The report also contains high level data on service usage, spend, customer care and safeguarding.

3.5 In previous years the report has been published around springtime of the year following the report period. This year a decision was made to bring publication forward to autumn.

3.6 The report has been circulated to the Health Policy and Performance Board and will be presented to the Health and Wellbeing Board and is available on the HBC ASC webpage.
