COMMENTS:

On behalf of Cheshire Police, I wish to record an objection to the above application for the grant of a premises licence to Espositos, Runcorn Hill Park Pavillion, Highlands Road, Runcorn, WA7 4PT.

The grounds for the objection are that the police feel that granting this licence would undermine the licensing objective of prevention of crime and disorder. The park is already an area that attracts anti-social behaviour, and the police believe that if this licence is granted the risk that the anti-social behaviour would increase is very high.

Attached to this objection are details of types on anti-social behaviour incidents that have occurred in this location, some of which could have had serious consequences.

There are no concerns regarding the applicant or what their proposing with regards to the business operating model, the concerns and regarding the location as it's the police feel that the premises would become more of a magnet for the youths in the area which could lead to an increase in anti-social behaviour and also there's risk of possible under-age sales which would undermine the protection of children from harm licensing objective, we would therefore ask the Committee to refuse this application.

If the Committee are mindful to grant this application, then the only thing the Constabulary would ask is that they consider adding the following condition to the licence to help manage any possible anti-social behaviour incidents:

SIA registered Door Supervisors shall be employed whenever the premises are open for licensed activities, to such a number as the management of the premises consider are sufficient to control the entry of patrons to the premises and for keeping order in and around the premises when they are used for licensable activities.

A written record shall be kept on the premises by the Designated Premises Supervisor of every person employed on the premises as a door supervisor in a register kept for that purpose. That record shall contain the following information:

- The door supervisor's name, date of birth and home address;
- His/her Security Industry Authority licence number;
- The time and date he/she starts and finishes duty;
- The time of any breaks taken whilst on duty;
- Each entry shall be signed by the door supervisor.
- Record of all incidents taking place in the venue

The register shall be available for inspection on request by an authorised officer of the Council, the Security Industry Authority or a Police Officer.

Signed:

Lestey Halliday
