

Better Care Fund 2024-25 Quarter 1 Reporting Template

1. Guidance for Q1

Overview

The Better Care Fund (BCF) reporting requirements are set out in the BCF Planning Requirements document for 2023-25, which supports the aims of the BCF Policy Framework and the BCF programme; jointly led and developed by the national partners Department of Health and Social Care (DHSC), Ministry of Housing, Communities and Local Government (MHCLG), NHS England (NHSE), working with the Local Government Association (LGA) and the Association of Directors of Adult Social Services (ADASS). The addendum to the Policy Framework and Planning Requirements published in March 2024. The key purposes of BCF reporting are:

- 1) To confirm the status of continued compliance against the requirements of the fund (BCF)
- 2) To confirm actual income and expenditure against BCF plans, actual outputs against planned, and progress against
- 3) To identify areas of challenge and good practice to inform national conversations around support requirements
- 4) To enable the use of this information for national partners to inform future planning frameworks and for local areas to inform improvements

The information submitted within reports should be used by ICBs, local authorities, HWBs and service providers to understand and improve both planning processes and the integration of health, social care and housing.

Q1 reporting will only focus on the Discharge Fund.

Requirement

BCF reports submitted by local areas are required to be signed off by HWBs, including through delegated arrangements as appropriate, as the accountable governance body for the BCF locally. Aggregated reporting information will be

Note on entering information into this template

Throughout the template, cells which are open for input have a yellow background and those that are pre-populated have a blue background and those that are not for completion are in grey, as below:

Data needs inputting in the cell

Pre-populated cells

Not applicable - cells where data cannot be added

Note on viewing the sheets optimally

To more optimally view each of the sheets and in particular the drop down lists clearly on screen, please change the zoom level to between 90% - 100%. Most drop downs are also available to view as lists within the relevant sheet or in The row heights and column widths can be adjusted to fit and view text more comfortably for the cells that require

Please **DO NOT** directly copy/cut & paste to populate the fields when completing the template as this can cause issues during the aggregation process. If you must 'copy & paste', please use the 'Paste Special' operation and paste 'Values'

The details of each sheet within the template are outlined below.

Checklist (2. Cover)

1. This section helps identify the sheets that have not been completed. All fields that appear as incomplete should be complete before sending to the BCF team.
2. The checker column, which can be found on the individual sheets, updates automatically as questions are completed. It will appear 'Red' and contain the word 'No' if the information has not been completed. Once completed the checker column will change to 'Green' and contain the word 'Yes'
3. The 'sheet completed' cell will update when all 'checker' values for the sheet are green containing the word 'Yes'.
4. Once the checker column contains all cells marked 'Yes' the 'Incomplete Template' cell (below the title) will change to 'Templ'
5. Please ensure that all boxes on the checklist are green before submitting to england.bettercarefundteam@nhs.net and copying in your

Better Care Manager.

2. Cover

1. The cover sheet provides essential information on the area for which the template is being completed, contacts and sign off. Once you select your HWB from the drop down list, relevant data on metric ambitions and spend from your BCF plans for 2023-24 will prepopulate in the relevant worksheets.

2. HWB sign off will be subject to your own governance arrangements which may include a delegated authority.

3. Please note that in line with fair processing of personal data we request email addresses for individuals completing the reporting template in order to communicate with and resolve any issues arising during the reporting cycle. We remove these addresses from the supplied templates when they are collated and delete them when they are no longer needed.

3. Spend and activity

The spend and activity worksheet will collect cumulative spend and outputs for Q1 for schemes against planned values and scheme types.

Once a Health and Wellbeing Board is selected in the cover sheet, the spend and activity sheet in the template will prepopulate data from the 24-25 BCF plans.

You should complete the remaining fields (**highlighted yellow**) with incurred expenditure and actual numbers of outputs delivered in Q1.

- Actual expenditure to date in column J. Enter the amount of spend to date on the scheme.

- Outputs delivered to date in column L. If a unit is shown in column L for a scheme, enter the number of outputs delivered to date. For example, for a reablement and/or rehabilitation service, the number of packages commenced. If no unit is attached, enter NA.

For reporting of outputs, the collection only relates to scheme types that include outputs. These are shown below:
