Notes for guidance

1. Describe the premises. For example, the type of premises it is, its general situation and layout and any other information which would be relevant to the licensing objectives.
2. Right to work/immigration status

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code.
