Potential for job creation and inward investment.

### **6.3 Supporting Children, Young People and Families**

Possible positive implications depending on what developments and programmes are implemented.

### **6.4 Tackling Inequality and Helping Those Who Are Most In Need**

Possible positive implications depending on what developments and programmes are implemented.

### **6.5 Working Towards a Greener Future**

Any development that comes forward through the Framework will be built to environmentally friendly building regulation standards and biodiversity net gain.

### **6.6 Valuing and Appreciating Halton and Our Community**

The future projects can help create assets and public realm for local people to enjoy.

## **7.0 RISK ANALYSIS**

- 7.1 N/A

## **8.0 EQUALITY AND DIVERSITY ISSUES**

- 8.1 N/A.

## **9.0 CLIMATE CHANGE IMPLICATIONS**

- 9.1 Consideration of the impacts of climate change, including reducing the carbon footprint, mitigation and adaptation will be required. At the Town Centre level, this would include considerations such as reduced private transport use, provision of local renewable energy

sources, alternative heating sources, Electric Vehicle charging points, appropriate building design, innovative construction methods, shading and planting. The Framework can have a role to reduce the Town Centre's impact on the climate as well as promoting good practices for residents and businesses.
