Date: 02 September 2025

To Whom It May Concern,

LICENSING ACT 2003 – MAKING REPRESENTATION

PREMISES: 78 ALBERT ROAD, WIDNES, WA8 6JT

The information supplied in support of an application for a premises licence dated 21 August 2025 has been examined by the Cheshire Fire Authority. We wish to make a representation to the Licensing Authority because we are of the opinion that the public safety objective has not been adequately addressed.

The area(s) of concern are as follows:

In light of the immigration findings we are concerned the prohibition notice that is place at this premises will be breached.

Please would you advise us, at your earliest convenience, the date and time of the Licensing Committee hearing.

If the relevant areas of concern are addressed and adequate notice is given to the Authority the representation may be withdrawn.

This letter is without prejudice to any enforcement action that Cheshire Fire Authority may take under fire safety legislation.

Please contact the inspecting officer named above should you wish to discuss this matter.

Yours faithfully,

[REDACTED]

Kathryn Harkin
