Timetable commentary/assumptions:

- Prior to issuing the OIEU we suggest that the public sector stakeholders are clear as to the assets they are to commit to the PPP, the manner in which those assets are to be committed and their respective equity entitlements.
- Assumed shortlist to no more than 3
- Assumed focussed dialogue with no more than 3 bidders. This will be time intensive and decision makers from the public sector stakeholders will need to attend all dialogue meetings

Timetable Key:
